New Delhi-110067

Contents

Programmes	1-52
1. Overview	3-7
2. Research Promotion	8-22
Research Projects	8
Research Fellowships	11
National and International Seminars/Conferences	16
Training and Capacity Building Programme	16
Research Survey and Publications	18
National Social Science Documentation Centre (NASSDOC)	19
Quantitative Information on Outreach of ICSSR Activities	22
3. International Collaboration	23-31
4. Impactful Policy Research in Social Science (IMPRESS) Scheme	32-38
5. ICSSR Regional Centres	39-44
6. ICSSR Research Institutes	45-52
Appendices	53-300
1. List of Members of the Council	55-57
2. ICSSR Senior Officials	58
3. Research Programmes/Projects	59-94
Research Programme	59-65
Major Research Projects	65-72
Minor Research Projects	72-79
Final Reports Received	79-91
Papers Published in Research Journals (Scopus, UGC Care List)	91-94

4.	Research Fellowships	95-165
	Papers Published in Research Journals by Senior/Post Doctoral Fellows	118-124
	Papers Published by Doctoral Fellows	157-165
5.	Financial Assistance Provided for Organising National and International Conferences/Seminars in India	166-169
6.	Training & Capacity Building Programmes	170-171
7.	Publication Grants	172-175
8.	Bibliographies Compiled by NASSDOC	176
9.	Major Activities of ICSSR Regional Centres	177-184
10.	Major Activities of ICSSR Research Institutes	185-255
11.	Research Projects Approved under IMPRESS Scheme	256-300
	Papers Published in Research Journals	261-265
	Acronyms/Abbreviations	301-304
	Statement of Accounts	305-362

Programmes

1

Overview

It is widely regarded that social science research enhances our understanding of the society and its functioning, provides policy inputs for Socio-economic development and generates ideas and information that could be used in policy framing, teaching and research. Thus, social science research renders vital services to the society and the country.

India has a long and rich tradition of social science teaching and research. Takshashila, Nalanda, Vikramashila, Vallabhi, Pushpagiri and Somapura universities flourished as global centres of learning in different parts of India. The subjects taught in these universities included Vedas, Vedanta, Ayurveda, Medicine and Surgery, Jurisprudence, Mathematics, Astronomy, Physics, Metallurgy, Civil Engineering, Architecture, Philosophy, Grammar, Agriculture, Economics, Commerce, Politics, Statecraft, Military Education, Literature, Craft etc. These universities set very high standards of teaching, learning and research for scholars from across the world. This system of Indian education produced scholars of great stature such as Aryabhata, Bhaskaracharya, Jivaka Komarabhacca, Mahaviracharya, Charaka, Susruta, Baudhayan, Chanakya, Brahmagupta, Panini, Patanjali, Nagarjuna, Pingala, Gargi, Kanad, Varahamihira, Thiruvalluvar and so on.

Social science teaching and research in the country, however, made a formal beginning with the introduction of modern university system in the second half of the 19th century as the University of Mumbai (1857), University of Madras (1857), University of Calcutta (1857) and Allahabad University (1875) came into existence. The real breakthrough came only after Independence with the rapid expansion of higher education system as a part of the planned socio-economic development.

As the country's development process threw up numerous and diverse problems that required extensive research and analysis, Government of India established a Committee for Social Science Research under the chairmanship of Professor V.K.R.V. Rao in 1965 to review the social science research scenario in the country and make recommendations to accelerate its progress. This led to the establishment of the Indian Council of Social Science Research (ICSSR) in 1969 to encourage, promote and fund social science research in the country.

The ICSSR is an autonomous body under the Ministry of Education, Government of India and a premier organisation with 24 Research Institutes (grant-in-aid), five Recognised Research Institutes and six Regional Centres located in different parts of the country.

The ICSSR's aims and objectives as spelt out in its Memorandum of Association (MoA) are the following:

- To review and survey the progress of Social Science Research and advise the Government on policy issues;
- To fund and promote Social Science Research in Universities/Colleges/Research Institutes;
- To award Doctoral, Post-doctoral, Senior and National Fellowships to researchers and faculties;
- To award Minor, Major and Collaborative Research Projects to researchers and faculties;

- To fund National and International Seminars and Conferences to disseminate social science research findings;
- To support Training and Capacity Building Programmes for young researchers and faculties;
- To provide International Travel and Data Collection Grant to scholars and faculties;
- To encourage International Collaboration in social science research with well recognized foreign research funding agencies;
- To fund publication of journals and books in social science research and also strengthen professional social science associations/organizations;
- To provide library, documentation, data and online services for social science research; and
- To indicate periodic themes in neglected and new critical areas of research.

During the last about 52 years of its establishment, the ICSSR has been actively promoting and funding social science research in the country. It provides regular maintenance and development grant to its Research Institutes (on matching grant basis) to study national and regional research issues from interdisciplinary perspectives. It also fully supports its six Regional Centres which represent the Council within their respective regions with a view to spread the programmes and schemes of the ICSSR. Under the International Collaboration Programme, ICSSR has signed bilateral collaborative agreements with 14 countries including the United Kingdom, Japan, South Africa, Germany, South Korea, Switzerland, Sri Lanka, Vietnam, Philippines, Netherlands, Sweden, Taiwan, Bosnia & Herzegovina, and Cultural Exchange Programmes with three countries, namely, France, China and Thailand to engage in activities such as exchange of scholars, joint seminars, research projects, publications, exchange of books and periodicals. The ICSSR also participates in the activities of the international social

science organizations like International Science Council (ISC), Science Council of Asia (SCA) and UNESCO etc. The Council serves as the nodal agency for participating in the activities of the UNESCO's MOST (Management of Social Transformation) programme and its implementation.

Since its inception, the ICSSR has granted 6793 Major, Minor and Collaborative Research Projects, awarded 8,658 Doctoral Fellowships (6515 Full-term and 2143 Short-term), 2574 Post-doctoral Fellowships, 795 Senior Fellowships and 174 National Fellowships. It has sponsored 4162 National and 1132 International seminars/conferences, funded 2144 scholars for attending seminars abroad and 458 scholars for data collection abroad. The ICSSR has sponsored 1044 Training & Capacity Building Programmes for young faculties and researchers, provided financial assistance to 1853 scholars for publication of their Doctoral Theses/Projects/Fellowship Reports/Conference Proceedings, financially supported 1008 social science journals and 374 professional associations involved in social science research activities. It has also conducted Six rounds of surveys of current status of research in some social science disciplines, namely, Economics, Political Science, Sociology and Social Anthropology, Geography, and Psychology in the country. These surveys have also been published by ICSSR in collaboration with reputed publishers like Sage, Pearson and Oxford University Press (OUP) etc. The ICSSR used to publish prestigious social science research journal – 'The Indian Social Science Review' which was discontinued in 2011. Now, we are about to restart the journal; and research papers and articles have been invited for the same and are being reviewed by experts of eminence. Apart from this, the ICSSR provides research services like library, documentation, data and e-resources to several thousand social science scholars and faculties across the country through its National Social Science Documentation Centre (NASSDOC).

The ICSSR has been offering its research-based advice, whenever needed, to the Government of India on policy relevant issues and has contributed

in the Newton-Vivekanand programme with the U.K. It has also carried out studies for various Ministries of Government of India including Ministry of Social Justice & Empowerment, Ministry of Minority Affairs, Ministry of Home Affairs, and the Ministry of Science and Technology. In addition, there is considerable presence of ICSSR studies and references in various policy documents and reports of the Ministries and the Planning Commission (erstwhile). Moreover, the Member Secretary and Council members have regularly participated and contributed to the deliberations of other government organisations involved in policy making or implementation such as the University Grants Commission, Indian Statistical Institute, Council of Scientific and Industrial Research (CSIR), Indian Council of World Affairs, Indian Institute of Advanced Study, Niti Aayog, ICPR, ICHR etc. Many officers of the ICSSR have also given their presentations on various schemes of the Council.

As the ICSSR has completed 52 years of its existence, it faces significant challenges alongside opportunities while giving direction to social science research in India and actively participating in social science research at global level. According to a University Grants Commission Report, there are 1014 Universities in the country (54 Central Universities, 439 State Universities, 395 Private Universities and 126 Deemed to be Universities). Similarly, as per the data drawn from International Standard Series Number (ISSN) and Ulrich International Periodical Directory data books, there were 2131 social science journals published in India during the period 2000-2015.

The ICSSR Review Report (2007) mentions that while the scale and range of social science research in the country has expanded, the quality of research output of a majority of institutions as well as their contribution to a better understanding of socio-economic processes and shaping public policy have fallen short of expectations. The quality also needs to be improved considering that the precious resources are being spent on research. The research quality constitutes a major challenge for all spheres of research in the country, including social science.

Moreover, with the introduction of 'National Institutional Ranking Framework (NIRF)' in 2015, there is a greater focus on research as the rankings significantly depend on the research orientation and related output of the institutes or universities. The entire issue has raised the concerns of the policy makers to adopt newer strategies and best global practices for enhancing the research quality and culture to improve the global rankings of the Indian institutes and universities. Thus, all institutions entrusted with the task of promoting and supporting researches like the ICSSR face this key challenge of promoting advanced, novel and cutting-edge researches to help institutes and universities in improving their national and global rankings, and also build a robust research culture in the country. There are enormous existing opportunities that place the ICSSR in an advantageous position to play a leading role in social science research and policy, at country as well as international levels.

The 21st century is widely said to belong to Asia, where India, Japan and China are perceived as major actors. India and China have already been emerging at a rapid growth rate in the last three decades. The end of the Cold War and the growing impact of globalisation also require India to redefine its position and role at the regional and global levels. Ever since economic liberalisation of the 1990s, India's global presence has been steadily rising. India is now one of the fastest growing economies for more than three decades, and it is world's fifth largest economy after the United States, China, Japan and Germany (in nominal GDP terms) the third-largest by purchasing power parity (PPP). In next few years, it is projected to be among the largest three economies of the world. There are many issues that constitute common research concerns of the world, and at the same time there are a number of country and policy specific research concerns that nations are interested in getting examined with a view to understanding the existing problems and finding their possible solutions. Rising population, national security, development pattern, water resources, climate change, sustainability, migration, urban infrastructure, inclusiveness etc. could be some of

India's specific concerns. Many times, nations converge in terms of their common problems and so, the research concerns.

India's aspiration to become one of the global leaders in knowledge creation rests on its research capabilities and infrastructure. The researches ultimately have to and must serve the society and should contribute towards policy formulation and its objective assessment. At the same time, the modern researches are crossing the tight compartments of disciplines and moving towards inter and multi-disciplinarity, where many disciplines combine their intellectual and infrastructural resources to achieve the common objective of larger welfare. In this

respect, the ICSSR's role acquires a greater significance as we have been promoting such inter or multidisciplinary researches. Even developments in science and technology require social science perspective for greater acceptability of new developments and preparing society to accept and adapt to those developments. Fortunately, all these aspects of robust research and innovation base have been well captured by the National Education Policy, 2020 which underlines "Knowledge creation and research are well known to be centrally critical to growing and sustaining a large and vibrant economy, uplifting society, and continuously inspiring a nation to achieve even greater heights" "A robust

Table 1.1
Year at a Glance (2020-21)

Sl. No.	Name of the Programme/Scheme/Service	No. of Beneficiaries
1.	Research Projects (Awarded) (Major, Minor, Special Call & IMPRESS Scheme)	74
2.	Final Reports of Research Projects Received (Previous Years)	345
3.	National Fellowships (In-progress)	04
4.	Senior Fellowships (In-progress)	44
5.	Post-doctoral Fellowships (In-progress)	256
6.	Doctoral Fellowships (In-progress)	465
7.	National, Senior, PDF and Doctoral Fellowship Reports Received (Belonging to Previous Years)	488
8.	Research Papers Published Out of Research Projects, IMPRESS Projects and Fellowship Reports	414
9.	Publication Grant for Research Reports/Doctoral Theses etc.	15
10.	Ad-hoc Grant for Publication of Social Science Research Journals	33
11.	Ad-hoc Grant to Associations/Organisations of Social Scientists for Maintenance and Professional Development	07
12.	Library and Documentation Services	3975
13.	Training Courses in Research Methodology and Capacity Building Programme	15
14.	Proposals Approved for Organising International/National Seminars (including IMPRESS Scheme)	57
15.	Research Output from ICSSR Research Institutes (Publications)	
	a) Books/Reports	157
	b) Working Papers/Monographs	335
	c) Research Papers	673

ecosystem of research is perhaps more important than ever with the rapid changes occurring in the world today.....”

India is viewed as a major stakeholder in global political, economic and technological environment, and, therefore, its research output is expected to have a larger share in global quality researches. New researches are leading to many paradigm shifts and are challenging colonial concepts and theories. There is also a greater emphasis in the country on analyzing India's challenges and problems based on our own socio-political and economic conditions instead of seeing them through unquestioned western prism and conditions. Such researches are better placed to solve various local or community and country specific problems and suggest innovative solutions and alternatives.

The ICSSR aspires to give a Big Push to social science research in India with the support of the government and other research organisations. India's high growth rate of social science publications at international level (Scopus Statistics) is a strong indicator of India's role now and also in years to come. Largely conscious of its new role, the ICSSR has undertaken some vital steps in this regard. Now, it is focusing on both, quantitative expansion of its programmes and schemes and delivery of quality research output. During the year 2020-21, the ICSSR has provided financial assistance to several hundred scholars, faculties and research organisations to encourage and promote quality social science research in the country as given in Table No. 1.1.

Covid-19 Constraints : During the year, despite the constraints imposed by the pandemic, ICSSR continued to support and encourage the ongoing research and other social science research initiatives.

ICSSR could come out with call inviting proposals on various social science dimensions of Covid-19 Pandemic which has one of the earliest initiatives not only at national level but also at international level. It was also well received and recognised by the many international agencies; including the UN.

ICSSR Organisational Structure: The ICSSR's highest decision-making body, known as the Council has 27 members, which includes the ICSSR Chairman and the Member-Secretary, 18 Social Scientists, one Co-opted member and 6 Ex-officio members representing the Government of India. The list containing members of the Governing Council is given at Appendix-1.

The Member Secretary is the Chief Executive Officer and heads the ICSSR Secretariat consisting of Directors, Deputy Directors, Assistant Directors and other officials. The ICSSR's officials, apart from their normal official duties, keep contributing through research papers, articles, articles in edited books, journals etc. and have also delivered lectures during the reporting year.

The Council has three standing committees namely Research Committee (RC), Research Institutes Committee (RIC), and Planning and Administration Committee (PAC). During the financial year 2020-21, the ICSSR has conducted its meetings following Covid-19 guidelines of the Council, Research Committee, Research Institutes Committee and Planning & Administration Committee for the smooth functioning of different divisions.

This is the 52nd Annual Report of the Indian Council of Social Science Research (ICSSR) delineating the Council's activities from 1st April, 2020 to 31st March, 2021.

Research Promotion

Promotion of research in social sciences is the most important activity of the Indian Council of Social Science Research (ICSSR). The ICSSR has been doing this through its various programmes and schemes such as funding Minor, Major & Collaborative Research Projects of faculties; providing Doctoral, Post-doctoral, Senior, and National Fellowships to scholars and faculties; awarding seminar and conference grants to disseminate social science research findings; sponsoring training and capacity building programmes for young researchers and faculties; providing international travel and data collection grants to scholars and faculties; encouraging international collaborations in research with prominent national level funding agencies abroad; funding publication of journals and books, and strengthening professional social science associations/organizations through infrastructural grants; providing library, documentation, data and online literature services to social science researchers etc.

The ICSSR has identified the following broad disciplines of study, within the domain of social sciences:

- a) Economics
- b) Sociology, and Social Anthropology
- c) Political Science / Public Administration
- d) International Studies
- e) Social Geography, and Population Studies
- f) Commerce and Management
- g) Social Psychology
- h) Education
- i) Social Linguistics / Socio-Cultural Studies
- j) Law / International Law
- k) National Security & Strategic Studies
- l) Other allied Social Science disciplines such as Library Science, Social Work, Media Studies, Modern Social History, Health Studies, Gender Studies, Environmental Studies, Diaspora Studies, Area Studies, Sanskrit-Society & Cultural Studies, etc. to promote inter-disciplinary and multi-disciplinary research.

Research Projects

Research Projects, both individual and institutional, are important to promote social science research in the country. The research projects may belong to any social science disciplines or may be multi-disciplinary in nature. The specific objectives of the programme are: a) to support high quality independent programme of research; b) to provide opportunities for training of future researchers; c) to contribute to the development of new theoretical or methodological approaches to research; d) to maintain and sustain various disciplinary research activities; e) to foster and promote collaborative, interdisciplinary and multidisciplinary research activities among researchers in social science; and f) to facilitate communication of research outputs both within and the academic community and provide key inputs to policy makers.

Table 2.1
Status of Major and Minor Research Projects (Responsive)

Year(s)	Projects Awarded	Cancelled/ Closed/ Withdrawn	Projects Joined	Final Reports Received	Reports Pending/ In-progress
From April 1969 to March 1990	2023	225	1798	1798	-
1990-2010	1426	98	1328	1328	-
2010-2011	185	07	178	178	-
2011-2012	365	10	355	350	-
2012-2013	289	03	286	283	-
2013-2014	187	05	182	182	-
2014-2015	333	21	312	312	-
2015-2016	326	22	304	267	-

2018-2019*	253*	-	253*	217*	-
2019-2020	320	41	279	236	320 (In-progress)
2020-2021	74	-	74	187	74 (In-progress)
Total	6354	451	5903	5552	604

* Includes IMPRESS Projects and related final reports which are not included in the grand total.

The ICSSR awards two types of research projects to Indian scholars: (a) Major and Minor Research Projects earlier known as Research Projects (Responsive) (b) Research Programmes, previously known as Research Projects (Sponsored).

Major and Minor Research Projects

Major and Minor Projects are basically demand-driven. Under this scheme, the ICSSR provides grant to scholars to conduct research on the topics of their choice. The year-wise position of research projects sanctioned since inception and reports received till 31st March, 2021 is furnished in Table 2.1.

Research Programmes

Research Programmes are a series of research studies undertaken simultaneously or sequentially on themes of significance and priority in policy and social science research. These studies, identified by the ICSSR from time to time, are expected to be inter-

disciplinary or multidisciplinary or inter-institutional in nature for critical understanding of new social science research issues and develop deeper understanding in terms of theory, methodology, new findings and policy outcomes. However, high impact studies which are extensive in structure but fall within the ambit of a single discipline are also considered.

The scheme of Research Projects (Sponsored) or Research Programmes was launched in 2011-12 with All India Report on Educational Status of Scheduled Castes & Scheduled Tribes, and De-notified Tribes (DNT) for various states. Year-wise position of research programmes sanctioned since 2011-12, projects cancelled / withdrawn / closed and reports received till 31st March, 2021 are given in Table 2.2.

New Awards

Indian Council of Social Science Research has launched **Special Call for Studies Focusing on**

Table 2.2
Status of Research Programmes or Projects (Sponsored)

Year(s)	Projects Awarded	Cancelled/ Closed/ Withdrawn	Projects Joined	Final Reports Received	Reports Pending/ In-progress
2011-2012	27	-	27	27	-
DNT Studies	04	-	04	04	-
2012-2013	43	01	42	41	-
2013-2014	75	10	65	65	-
2014-2015	61	03	58	29	-
2015-2016	73	-	73	29	-

Total	435	18	417	353	64

* Includes IMPRESS Research Programmes and not included in the grand total.

** Since no fresh awards could be taken up owing to the constraints imposed by the pandemic, all possible efforts were made for better monitoring and ensuring continuity and timely completion of ongoing projects awarded in the previous year(s) and not included in the grand total.

Social Science Dimensions of COVID-19

Pandemic: These studies can improve our understanding of the disease, its outbreak and public health response at global, national and sub-national levels as social science context can throw greater light on dynamics of spread and transmission, public health response, communication and sensitisation about the problem and required health and hygiene practices, social and community response to quarantine, screening and testing, societal understanding of the disease and related risks, social trust, health seeking behaviour, healthcare infrastructure, preparedness and interventions, political preparedness, economic and livelihood implications of the pandemic, global recession, decelerating growth and development, Industrial revival, recovery on external and internal trade fronts, employment implications, issues related to migrant labourers, change in global economic and political order, changes in behaviour and thinking, experiences of people esp. the sufferers, environmental concerns and so on.

Special Call for Studies on Covid-19 was made in April 2021 by initiating online submission of applications. On the whole, ICSSR received 1180

applications. After completing the due procedures 74 projects were awarded. The details of Research Projects sanctioned during the reporting year have been given in Appendix-3.

During this year, the final reports of 187 Major and Minor Research Projects and 41 Research Programmes sanctioned in earlier years were received. The details of final reports received under Research Programme and Major/Minor Projects are given in Appendix-3. The total expenditure for 2020-21 for Research Projects was ₹ 891.92 lakh (₹ 756.89 lakh under General, ₹ 102.31 lakh under SC and ₹ 32.72 lakh under ST categories). The grant includes expenditure incurred on Major/Minor Research Projects and Research Programme.

Due to the pandemic and the constrained resource position, the new awards of Research Projects were not awarded during the year. However, studies which were awarded during the previous year i.e. 2019-20, continued to be supported and have been shown 'in-progress' in Appendix-3. The list, however, does not include scholars whose final reports are received and who did not join/ or who withdrew due to various reasons.

Research Fellowships

In order to provide research opportunities to young, senior and established social scientists and to engage them in full-time research on important themes of their choice, four categories of fellowships, namely, National Fellowship, Senior Fellowship, Post-doctoral Fellowship and Doctoral Fellowship are offered to scholars who are at various levels of their profession.

National Fellowships

National Fellowships are aimed at providing opportunities to eminent Indian social scientists to engage themselves in full-time research that have the potential to contribute to the advancement of knowledge in social sciences on important themes of their choice or to write books based on their research. The ICSSR has so far awarded 174 National Fellowships. During the year under report, four National Fellowships were in progress and five final reports were received pertaining to previous years. The relevant details are given in Table 2.3

Senior Fellowships

Senior Fellowships are awarded to outstanding Indian social scientists for conducting full time research on themes and issues of national and social concerns proposed by the applicants. These studies are expected to contribute to theoretical and conceptual advancement in different disciplines, help to generate field work based empirical data and contribute in policy making. The ICSSR has so far awarded 795 Senior Fellowships. During the year 2020-21, 44 Senior Fellowships were in progress, which were awarded last year and 32 final reports pertaining to previous years were received. The relevant details are given in table 2.4.

Post-doctoral Fellowships

Post-doctoral Fellowships are awarded to young Indian Social Scientists with a high potential and promise for conducting full time research on specific themes and issues proposed by the applicants. These studies are expected to contribute to theoretical and

2018-2019	224	11	93	80
2019-2020	269	13	148	132
2020-2021	256*	-	169	256 (ongoing)
Total	2574	435	1630	509

*Since no fresh awards could be taken up owing to the constraints imposed by the pandemic, all possible efforts were made for better monitoring and ensuring continuity and timely completion of ongoing fellowships awarded in the previous year(s) and not included in the grand total.

conceptual advancement in different disciplines, help to generate field work based empirical data and contribute in policy making. The ICSSR has so far awarded 2574 Post-doctoral Fellowships. During the year under report, 256 Post-doctoral Fellowships were in progress, and 169 final reports pertaining to previous years were received. The relevant details are given in Table 2.5.

Due to the pandemic and the constrained financial resource position, the new awards could not be made during 2020-21, however, studies which were awarded during the previous year i.e. 2019-20 are in progress and mentioned in Annexure-4.

In order to encourage active participation by scholars, the ICSSR fellows are required to produce at least two research papers/articles in reputed journals during the course of their research, related to the theme of their fellowship. Since 2017-18, when this practice was introduced, till 2020-21, 439 research papers have been published by fellows in various research journals. Out of these, 50 research papers were published in Scopus indexed journals, 66 in UGC listed research journals, 215 in International and 94 in National Journals. Also, 14 research papers have been published in edited books. The respective lists of publications are given in Appendix 4.

During the year 2020-21, the total budget allocation/expenditure for National/Senior/Post-Doctoral Fellowship schemes was Rs. 1097.33 lakh (General-₹902.49 lakh, SC-₹143.04 lakh, ST-₹51.80 lakh).

Future Perspective

The selection process of fellows has been strengthened by including personal interaction/presentation before an Expert Committee. The aim is to select good researchers who are able to produce high quality research work.

The ICSSR envisages to further strengthen its fellowship programme by promoting research themes, which contribute to theoretical and conceptual advancement in different disciplines, help in generating field work based empirical data and

contribute towards policy making and also have the potential to contribute in advancement of knowledge in social sciences. Apart from this, the scholars are required to produce at least two research papers/articles in reputed journals during the course of their fellowship research. The scholars are also asked to present paper(s) in the conferences and seminars in India or outside India to get greater exposure in related areas of research and to strengthen the contribution of Indian social scientists in social science research.

For wider dissemination of research findings by the research fellows, the ICSSR is eyeing on publication of the fellowship reports, which are being recommended by subject experts and are adjudged outstanding or excellent.

Doctoral Fellowships

ICSSR Doctoral Fellowships are awarded to selected registered Ph.D. scholars to pursue and complete their doctoral theses in social science disciplines. The main aim is to provide financial support to scholars to enable them to focus full time on their research work and bring out quality research output in form of their Ph.D. theses and publications.

ICSSR is providing Doctoral Fellowships under its 'Centrally-Administered Doctoral Fellowship Scheme' and 'Institutional Doctoral Fellowship Scheme' in accordance with the prescribed guidelines. In case of 'Centrally-Administered Scheme', the fellowships are awarded and monitored directly by ICSSR and the concerned doctoral fellows are affiliated to a university, institute or college. Under the 'Institutional Fellowship Scheme', the doctoral fellows are affiliated to and monitored by an ICSSR sponsored / recognized research institute. The Call for the Centrally-Administered Doctoral Fellowships is given by ICSSR and the fellowships are awarded after screening and evaluation by Expert Committees. The call for Institutional Doctoral Fellowships are given by the respective research institutes and after preliminary scrutiny, the short-listed applications are received by ICSSR for evaluation by its experts and final

awards. 'Institutional Doctoral Fellowships' are for a tenure of two years or till the thesis submission at the university, whichever is earlier.

Within ICSSR's Centrally-Administered Doctoral Fellowship programme, there are the following three types of scheme:

1. The 'Full-term Doctoral Fellowship' is awarded for a period of two years or till the thesis submission at the university, whichever is earlier.
2. The 'Short-term Doctoral Fellowship' is awarded for six months to support the scholars who are at final stages of their doctoral work.
3. 'Contingency Grant' is a consolidated grant for meeting expenses on thesis work and are provided to scholars who have not received any contingency grant.

Doctoral Fellowships Awards, 2020-21

ICSSR had commenced the process of award of Doctoral Fellowships for the year 2020-21, and the *Call for Applications* was placed on ICSSR website on 29 May 2020. In view of the prevalent situation of lockdown, the Guidelines and the Application Forms were revised in order to enable the prospective candidates to apply completely through the online medium.

In response, the 'Research Fellowship Division' received a total of 1,902 online applications for its three Centrally-Administered schemes under the identified 25 broad disciplines of social science- 1,816 applicants applied for the regular Full-Term Fellowship, 73 for Short-Term Fellowship and 13 for Contingency Grant. In addition to these, 75 shortlisted applications were received from thirteen research institutes for consideration of the award of Institutional Doctoral Fellowships in their respective institutes. However, owing to the financial constraints imposed by the pandemic, the process of award of fellowships to the duly selected applicants for the year 2020-21 had to be withheld.

All possible attempts were made for better monitoring and ensuring completion of 465 ongoing fellowships. The list of 465 ongoing fellowships awarded in the year 2019-20 may be seen at Appendix 4. Despite limited funds, the doctoral fellowship grant amounting to Rs. 10.2 crore was disbursed to 776 scholars / institutes. In pursuance of this, over 3,600 letters and 4,200 emails were sent including multiple reminders to defaulters for submitting their theses to ICSSR as per the rules. With the result, the pendency in thesis submission from the awardees from older batches of the years 2012-13 to 2015-16 was brought down by 27%, i.e. from 65% in 2018 to 38% in March 2021.

Ph.D. Theses and Publications Received in 2020-21

During the year 2020-21, 282 Ph.D. theses were submitted by the ICSSR Doctoral Fellows, including twelve of them from the Institutional Fellowship awardees, the list may be seen at Appendix 4.

ICSSR proactively sought information on publications being done by its recent awardees of 2017-18, 2018-19 and 2019-20 batches and in response received copies of 555 research papers - 505 papers were published in journals and 50 in edited books. Out of the 505 papers published in journals, 70 papers have been published in Scopus-indexed journals, 96 papers published in UGC CARE listed journals, 327 have been published in international and 178 in national journals. Among the 505 journals, 327 publications were found to be either very significant (135), important (29) or good (163). Further, out of the 50 papers published in edited books, nine were published by the international publishers and 41 by the national publishers. The respective lists in each of the category of publication are given in Appendix 4.

Status of ICSSR Doctoral Fellowships

The ICSSR has so far awarded 8,658 doctoral fellowships of full-term and short-term tenures since its inception in 1969. Out of this, 6,515 were full-

Table 2.6

Total	6515	855	5660	2125

*Since no fresh awards could be taken up owing to the constraints imposed by the pandemic, all possible efforts were made for better monitoring and ensuring continuity and timely completion of ongoing fellowships awarded in the previous year(s) and not included in the grand total.

term fellowships that were awarded by both ICSSR and its research institutes and subsequently 5,660 awardees availed the fellowship grant. The year-wise information of the ICSSR Full-term Doctoral Fellowships awarded till 2020-21, fellowships withdrawn by the awardees and theses received by ICSSR from its awardees over the years may be seen in the Table 2.6.

Future Perspective

ICSSR shall continue its endeavour to support and encourage meritorious Ph.D. scholars to pursue their doctoral research in different disciplines of social sciences and enable them to bring out quality research outputs in forms of their theses and publications.

In its pursuit of supporting quality research of contemporary significance, ICSSR especially focuses on the current relevance and innovativeness of the proposed research in its selection process. The parameters taken into consideration are the research potential of the scholar and the specific contributions that the study proposes in terms of publications, policy implications and generating path-breaking research and / or knowledge to the existing body of research in the area.

The monitoring of fellowships awarded shall be more scholar-oriented and focused at facilitating and persuading the young scholars for building better research capacities, participation in research activities, publications and timely submissions of doctoral thesis.

National and International Seminars/Conferences

Sponsoring/funding of Seminars/Conferences in India is one of the major activities of ICSSR to promote deliberations on issues of high importance in social science research. They provide opportunities to researchers and academicians to exchange views and research findings, discuss important research questions on policy relevant issues, and generate academic research reports on important social problems. Although, the Council itself organises a few seminars, most of its support is in the form of partial financial assistance to academic institutions for organising national and international seminars or conferences.

During 2020-21, ICSSR received 35 proposals for organizing national/international webinars, from all across the country, of which 20 proposals were selected for funding by the Expert Committees. This included two international and 18 national webinar proposals involving a total expenditure of ₹ 241.02 lakh. The list of seminars approved may be seen at

Table 2.7

National and International Conferences/Seminars (Sponsored/Funded)

Year	National Conferences/Seminars	International Conferences/Seminars

Total	4162	1132

Appendix 5. Further, the year-wise details about the seminars funded by the ICSSR since its inception may be seen in Table No. 2.7

International Travel Grant for Paper Presentation/Data Collection Abroad

The aim of this programme is to assist social science scholars to make substantial contributions to important international seminars/conferences. The programme thus promotes academic links amongst the social scientists in India and abroad, provides opportunity to develop new insights and enlarges their research perspectives and contributes to the advancement and dissemination of knowledge in social science subjects.

In pursuance of its policy to promote closer contacts between India and overseas social scientists, the ICSSR has developed two programmes. Under the first programme, financial assistance is provided to Indian scholars, who have been invited to contribute and present papers at international conferences abroad. In its second programme, ICSSR provides financial assistance to scholars who intend to visit abroad for the purposes of data collection or consulting archival material in connection with their research work.

Due to the pandemic, no applications were received during the year 2020-21 under this programme, as there was a travel restrictions and specific guidelines issued by the Government for foreign travel.

The International Collaboration programme has spent a total of ₹ 148.53 lakh for all its activities during the year 2020-21.

Further, year-wise details about the Travel Grant funded by the ICSSR since its inception may be seen in Table No. 2.8.

Training and Capacity Building Programme

The basic requirement for a high-quality research in Social Science is the training in the science and art of doing research. While the philosophical basis of

Table 2.8
Year-Wise Distribution of Travel Grant

Year	Travel Grant for Participation in Seminars/ Conferences	Data Collection Abroad

Total	2144	458

*Due to Covid-19 Pandemic related constraints, Travel and Data Collection Abroad Grants could not be provided during 2020-21.

social science research is common to all disciplines of social sciences, different subjects have evolved their own theoretical frameworks and discipline specific techniques of research. However, scholars engaging themselves in interdisciplinary or multi-disciplinary research need to familiarize themselves with the research methodologies applied in disciplines other than their own in which they are trained. Moreover, from the stage of identification of research problem to methodology and finally, reporting and analysis of findings and also publication of these findings, there are several aspects in which a good researcher has to refine his/ her skills. Therefore, the ICSSR supports and sponsors 'Research Methodology and Capacity Building Programmes' in Universities and Research Institutes.

The ICSSR provides grants to the social science faculties for organizing Research Methodology and Capacity Building Programmes for young researchers and faculties in various social science disciplines, which may include training in multi-disciplinary areas and research tools. The Programme is divided into the following two categories:

(A) Research Methodology Course (RMC)

The aim of the course is to enhance the methodological and writing skills of the PDF/ Ph.D./ M.Phil. scholars and develop their potentials as future faculties or social science researchers.

(B) Capacity Building Programme (CBP)

The objective of this programme is to expose the young faculties, mainly Assistant Professors, in social science disciplines to the latest advances in their subjects and also to improve their capacity in understanding of methodology and writing skills.

Since 1971, when the programme was first conceptualised and till 2020-21, 1044 Research Methodology, and Capacity Building Programmes have been funded by the ICSSR. During the year under report, a total of 34 proposals for both Research Methodology Course and Capacity Building Programme (RMC- 19 and CBP- 15) were received and placed before the Expert Committees for evaluation. The Committees had approved 15 proposals, nine under 'Research Methodology Course' and six under 'Capacity Building' with a total expenditure of ₹ 106.09 lakh. These courses were held in virtual mode. The lists of Research Methodology Course and Capacity Building Courses approved for the year 2020-21 may be seen at Appendix-6.

The details about RMC and CBP courses organised/ funded by the ICSSR is given in Table 2.9.

Table 2.9
Year-Wise Status of RMC & CBP

Year(s)	Research Methodology Course	Capacity Building Programme	Total
1971 -1990	119	-	119
1990-2010	235	-	235
2010-11	10	-	10
2011-12	17	-	17
2012-13	108	38	146
2013-14	53	18	71
2014-15	55	24	79

2016-17	36	23	59
2017-18	29	23	52
2018-19	47	25	72
2019-20	47	20	67
2020-21	09	06	15
Total	844	200	1044

Future Perspectives

Short-term Training Course to impart highly focused training to young scholars in research writing, data processing and computer applications for lesser number of days involving reduced financial support is being introduced apart from the usual ten-day RMC and two weeks CBP.

Research Survey and Publications

Research Survey and Publication Programme is another major activity of the ICSSR through which it disseminates important research outputs produced both within and outside the Council. Under its publication programme, the Council provides grants to (a) Indian nationals for publication of their Doctoral Theses, Project/Fellowship Reports, Monographs and Seminar/Workshop Papers in the areas of social science and (b) Professional associations/organisations of social scientists including universities, colleges and research institutes for publication or continuing with their research journal(s). It also

provides ad-hoc grants to professional associations/organisations of social scientists for maintenance and developmental activities.

So far, the ICSSR has published 1868 books, supported 1040 associations/organisations for publication of their research journals and provided adhoc grant to 381 associations/ organisations for maintenance & development activities. During the year 2020-21, 15 doctoral theses and research reports were published with ICSSR grant. Similarly, 33 professional organizations/associations of social scientists received ICSSR grant of ₹ 30.25 lakh for publication of their research journals and seven organisations received grant amounting to ₹ 13 lakh for their maintenance and infrastructural development.

The details of published books, grants given to professional associations/organisations grants for publication of research journals and also for development is given at Appendix 7 and Table 2.10.

Moreover, since inception, the Council has undertaken the task of surveying research developments in chosen disciplines of social science through its programme of “Surveys of Research”. The core objective of the surveys is to have a comprehensive overview of research undertaken during a specified period, involving stock-taking of what has been achieved in a particular social science discipline or area in terms of theory, methodology, empirical evidence and the gaps which need to be prioritized for future researches. So far, the ICSSR has published around 70 volumes of Research Surveys and 60 other publications.

The Council has undertaken the Sixth Round of ICSSR Research Survey in the disciplines of Psychology, Political Science, Geography, Sociology & Social Anthropology and Economics covering the period 2003-2009 and published these Research Survey Reports through M/s Oxford University Press (OUP), New Delhi.

National Social Science Documentation Centre (NASSDOC)

Established in 1970, the National Social Science Documentation Centre (NASSDOC) is a Division of ICSSR. It provides library and information services to the social science research community including academic institutions, autonomous research organisations, policy making bodies, planning and research units of the government departments etc. To meet the technology driven world challenges, it uses web based digital environment to create, apply and utilise the information with its automated library collection, Web-OPAC, online databases/ e-resources etc. Major activities and services of the NASSDOC include Library, Reference & Information Services, E-resources for ICSSR's Research Institutes & Regional Centres, Compilation of Short Bibliographies/ Literature Search Services, Microfilm & Microfiche Services, Continuing Education Programme, Value Added Services like

Current Awareness Service (CAS) and National Knowledge Network internet facility to access e-resources in social sciences with the state of the art 'Digital Resources Learning Centre (DRLC)'. In addition to this, NASSDOC has a 'Sales and Distribution Unit' to supply publications of the ICSSR.

Library, Reference and Information Services: NASSDOC has a wide range of document collections (27474) comprising of reference source collections like bibliographies, encyclopaedias, directories etc; grey collection consisting of doctoral theses, research project reports; a unique collection on research methodology, research surveys and a strategic collection on all social science disciplines including library & information science, and computer & information technology and 13,342 bound volumes of journals. The library remains open from 9:30 AM to 6:00 PM from Monday to Saturday and remains closed on Sundays and on all gazetted holidays.

A total number of 3975 research scholars visited NASSDOC during the year 2020-21. A large number of reference queries were attended through correspondence/ e-mail etc. Research related information was provided to scholars from NASSDOC's collection, its in-house databases and by exploring electronic sources and several other internet-based resources.

ICSSR-NASSDOC library's membership is open to the following categories of readers:

Official Members: These include ICSSR Council members/ senior officials of the ICSSR Secretariat and regular professional staff of the ICSSR (i.e. Research Assistants/ Documentation Assistants and above). They are entitled to borrow books from the library.

Consulting Members: Consultation facility is extended to academicians, research scholars, students and members of general public including retired persons and other categories of readers as well.

ICSSR Beneficiary Members: All scholars and researchers who get benefited from ICSSR programmes and schemes are given this membership.

Borrowing Members: Borrowing facility is extended to social scientists, academicians, students and general readers who are registered as members of the library. Books are issued against a deposit of Rs.1000/- per book. Two books can be issued to an individual member at a time.

Institutional Members: Institutional membership is available. Five books can be borrowed by an institutional member for a period of one month.

Guest Reader: There is no fee for guest readers who want to consult the library for a day or two. They are issued a guest card for the day.

Library membership form is available at library counter and Online through our website at www.icssr.org. A total number of 170 scholars have taken membership including Guest Members during the year and one institution have renewed their membership.

Circulation of Documents (Issue/Return): The scholar using services of NASSDOC is usually a researcher who is working for his / her Doctorate / Post Doctorate or writing a conference paper or working on some research project. For this purpose, he/she needs journal articles, grey literature including institutional papers e.g. working papers / discussion papers / occasional papers. This is a consultative collection which has to be used in the reading room only by a scholar. However, a total number of 172 documents, other than grey literature, were circulated among borrowing members.

Inter-library Loan: For providing books/ journals to scholars/ libraries, which are not available in NASSDOC, it gets them on loan from other libraries. Similarly, books and journals are issued to outside libraries. During the year, 50 books were issued to outside libraries. NASSDOC is a member of DELNET (Developing Libraries Network) and its services are also used for inter-library loan.

E-Resources: Three computer terminals in the reading hall are specifically devoted for the use of e-resources. Members can also refer online journals in the library. Eleven online e-resources (all subscribed) and other digital resources are available for use in the library. These e-resources were used by 165 scholars in NASSDOC premises. Besides these scholars, e-resources were used heavily for answering reference queries, for compilation of bibliographies and for providing other services of NASSDOC.

Acquisition of Research Material - Books/ Theses/ Periodicals/ E-resources: During 2020-21, 725 documents have been added to the NASSDOC collection. It includes 579 books by fresh purchase, 107 research reports and 39 books received as gift in print format. A total of 44 Indian journals were subscribed, 137 periodicals received through grantees, 14 daily newspapers and 11 popular magazines were also subscribed for the readers. Annual Reports of Ministries and Departments of Govt. of India and various institutes were also added to the collection of NASSDOC. Following e-resources were subscribed for

NASSDOC: 1. EconLit with Full Text (EBSCO), 2. Education Source (EBSCO), 3. IndiaStat (Datanet India), 4. J-Gate Social & Management Sciences, Arts and Humanities (Informatics), 5. JSTOR (USA, ITHAKA), 6. LISTA with full text (Library, Information Science and Technology Abstracts) (EBSCO), 7. Political Science Complete (EBSCO), 8. Prowess IQ (Centre for Monitoring Indian Economy), 9. PsycArticles (EBSCO), 10. SocIndex with Full Text (EBSCO) (Sociology) and 11. DELNET (Developing Library Network, gives access to 11 databases).

E-resources for ICSSR Research Institutes (RI) and Regional Centres (RC): In order to enhance the research capabilities of ICSSR's Research Institutes and Regional Centres with advancing knowledge in social science, NASSDOC subscribed to 4 e-resources for them during 2020-21. Information about the number of institutions to which independent and free access was provided is given in Table 2.11:

Table- 2.11

S. No.	Name of E-resource	No. of Sites (RIs & RCs)
1	EconLit with full text (USA, EBSCO)	10 Sites
2	IndiaStat and its all other associate sites (Datanet India)	6 Sites
3	JSTOR (USA, ITHAKA)	10 Sites
4	Prowess IQ (India, Centre for Monitoring Indian Economy)	5 Sites

Compilation of Short Bibliographies / Literature Search Service: During 2020-21, 11 short and select bibliographies with abstracts (NASSDOC Appendix) were compiled and supplied to research scholars on the basis of demand received from them.

Subject Bibliographies: During 2020-21, 19 bibliographies have been prepared on various subject themes which are listed in the NASSDOC Appendix. So far, 581 scholars have consulted these bibliographies.

Data Services: During 2020-21, 2587 datasets were provided to the scholars from various reputed institutions like: AIIMS, Central Universities, Deemed Universities, and State Universities, IITs, Govt. bodies, ICAI, NIT and other research institutions. Number of each datasets are: (a) Debt and Investment (117), (b) Domestic Tourism (49), (c) Economic Census (58), (d) Education (122), (e) Employment and Unemployment (556), (f) Enterprise (563), (g) Health care (69), (h) Household Consumer Expenditure (840) and (i) Housing Condition (213).

Microfilm & Microfiche Services: NASSDOC has a good collection (approx. about 3500) of microfilms & microfiches along with a microfilm reader facility.

Continuing Education Programme: To keep in touch with the latest developments and develop specialised skills in accessing social science information, NASSDOC organises short-term training workshops/seminars/interactive sessions and lectures under this Programme on a regular basis. During this period, eight (8) training/orientation sessions were conducted for the academic community on the access and usage of online resources such as: (a) J-Gate; (b) Prowess IQ; (c) IndiaStat; (d) JSTOR; (e) EBSCOHOST including EconLit, Political Science Complete, Soc-Index, Education Source and PsychArticles; (f) NASSDOC Remotex: An Online Digital Resources Access Portal. These training programs benefited more than 300 bonafide library scholars.

Value Added Services: Current Awareness Service (CAS) is provided by bringing out different publications at regular periodic intervals under "NASSDOC Research Information Series". During 2020-21, Nine (9) issues of New Arrivals: List of New Additions with Summaries and Nine (9) issues of Current Contents were brought out. Four (4) issues of Newspaper Clipping Services were brought out with subject-wise index.

Membership of Professional Bodies for 2020-21: Under Professional Skill Development & Networking, NASSDOC is availing annual membership regularly for the professional bodies and

networks and for 2020-21, the membership was renewed for DELNET. This type of subscription entails NASSDOC for their different services like Inter Library Loan facility and access to online databases etc.

The total expenditure incurred by NASSDOC during the year 2020-21 was ₹ 90.93 lakh. The information about NASSDOC's Activities (Members, Services etc.) is given in Table 2.12:

Table- 2.12

Information of NASSDOC's Activities, Members, Services etc. (Since its Inception)

International Collaboration

Promoting social science research through international collaboration is one of the major approaches followed by the ICSSR. Under this programme, the Council provides opportunity to both Indian and foreign scholars to interact, learn, research and contribute to social science in India and abroad. The Council undertakes several important activities under the programme which include bilateral and multilateral collaborations with foreign funding councils and social science organisations, providing financial assistance to Indian scholars for presenting papers in international conferences & data collection abroad etc.

The ICSSR has established strong bilateral social science collaborative agreements with its counterparts abroad. Besides, the Council is one of the implementing agencies of the 'Cultural Exchange Programme' and 'Educational Exchange Programme' of the Government of India with other countries.

Our crucial task is to promote and fund innovative, interdisciplinary/multidisciplinary and policy relevant social science research in the country and thus, lead the way in which social science research is to be shaped and strengthened in India which also incorporates collaborative research with similar Councils or agencies abroad. Its vision is to nurture, train and build capacity of social scientists through a comprehensive, challenging and innovative training in research.

The ICSSR in its endeavor to encourage dialogue and discussion on important issues of social science relevance provides financial assistance to organize national & international conferences/seminars in India. The ICSSR's 'Seminar Grant Scheme' aims at

facilitating research in discipline specific areas of social science as well as in interdisciplinary areas.

The 'International Collaboration Programme' of the ICSSR provides an opportunity to both Indian and foreign scholars from the field of social sciences to interact and research. Financial assistance is also provided to Indian social scientists, who have been invited to present and contribute paper at seminars/conferences abroad. The ICSSR also provides financial assistance to social scientists who have a plan to visit abroad for the purpose of data collection or consulting archival material in connection with their research work.

The ICSSR has emerged, over the years, as a premier social science research organization in India with a highly visible international presence. Activities relating to promoting academic links among social scientists of India and other countries of the world have been the prime task of the International Collaboration Division. The Division, on behalf of the Council, leads programmes of collaboration and joint research with several countries and organizations.

International Collaboration Programme

While the ICSSR is continuing its cooperation with the existing programmes of different countries like Vietnam Academy of Social Science (VASS), Vietnam; National Science Foundation (NSF), Sri Lanka; Economic and Social Research Council (ESRC), UK; The Netherlands Scientific Organization (NWO), The Netherlands; German Research Foundation (DFG), Germany; Korean Social Science Research Council (KOSSREC), Republic of Korea; Zurich University of Applied

Sciences (ZHAW), Switzerland; Swiss National Science Foundation (SNSF), Switzerland; Ministry of Science and Technology (MOST), Taipei, Taiwan; Japan Society for Promotion of Science (JSPS), Japan; National Institute for the Humanities and Social Sciences (NIHSS), South Africa; Philippine Social Science Council (PSSC), Philippines; British Council (BC), UK; European Commission (EC); Swedish Research Council for Health, Working Life and Welfare (FORTE), Sweden; Academy of Sciences and Arts of Bosnia and Herzegovina (ANUBiH), Sarajevo, Bosnia and Herzegovina. The ICSSR also has ongoing Cultural Exchange Programmes with Thailand, France and China. The ICSSR has multilateral collaborations with EU-India Platform on Social Sciences and Humanities (EqUIP).

Besides, the ICSSR has been participating in the activities of international social science organizations such as International Federation of Social Science Organizations (IFSSO), International Science Council (ISC), Science Council of Asia (SCA), United Nations Educational, Scientific and Cultural Organization (UNESCO) through its MOST programme, The Latin American Council of Social Sciences (CLACSO) etc. The ICSSR is also the nodal agency of the Sub-Commission on Social Sciences constituted by the Ministry of Education, Govt. of India under the Indian National Commission for Cooperation with UNESCO (INCCU).

Broad-basing ICSSR through Interdisciplinary and Trans-disciplinary Collaborations

In India, there are scientific, medical and agricultural councils, which too have international collaborations. The ICSSR is developing programmes which would have stronger and deeper interface between society and science through bilateral or multilateral agreements with research organisations like Deptt. of Science & Technology, Indian Council of Medical Research, Deptt. of Biotechnology, Indian Council of Agricultural Research etc. The ICSSR is also planning to collaborate with, prestigious academic

institutions of the country such as IIMs, IITs and NITs of the country to have joint workshops and seminars. Similarly, the ICSSR plans to have collaborative arrangements with National Law Universities of India (NLUs).

There is a constant move to project a strong innovative role of the ICSSR through new programmes & activities.

Bilateral Collaborative Programme

The ICSSR has signed 'Bilateral Collaborative Programmes' with parallel organisations of several countries to implement activities such as exchange of scholars, joint seminars, joint projects, joint publications, exchange of books and periodicals, etc. The Council also plans to invite eminent foreign scholars to visit India for delivering lectures under its scheme of "Visit of Distinguished Scholars". The ICSSR has bilateral collaboration with the following organizations or countries:

Economic and Social Research Council (ESRC), UK

The ICSSR and ESRC, UK have a bilateral collaboration programme since 1st April, 2008. The renewed MoU was signed on 14th September, 2018 for a period of three years.

National Institute for the Humanities and Social Sciences (NIHSS), South Africa

The ICSSR and the NIHSS, South Africa signed an MOU on 4th August, 2020 for a period of three years which is renewable for another three years, unless either party gives notice to terminate the agreement.

Japan Society for the Promotion of Science (JSPS), Japan

The ICSSR and JSPS signed a MoU commencing from 26th February, 2015 initially for a period of three years which was further extended for a further period of three years.

Zurich University of Applied Sciences (ZHAW), Switzerland

The ICSSR and the Zurich University of Applied Sciences (ZHAW), Switzerland in its capacity as “Leading House” mandated by the Swiss State Secretariat for Education, Research and Innovation (SERI), acknowledging the importance of international scientific and scholarly cooperation and exchange signed a Memorandum of Understanding (MoU) on 10th April 2019 which remained in force till 31 December 2020. Thereafter, no proposal for extension has been received from the Leading House.

Philippines Social Science Council (PSSC), Philippines

The ICSSR and the PSSC, Philippines signed an MOU on 27th May 2020 for a period of three years which will be renewable for another three years, unless either party gives notice to terminate the agreement.

British Council (BC), UK

The ICSSR and British Council, UK signed an Operational Alliance Agreement (OAA) on 22nd September 2020. The collaboration with British Council will provide opportunities to Social Science scholars of both UK and Indian higher education institutions to develop their research capabilities. ‘Newton Bhabha Fund Ph.D. Placement Programme’ is one of the activities to be undertaken under this agreement.

European Commission (EC), Europe

The ICSSR and European Commission virtually signed a new implementing arrangement on 28th October 2020 to enhance scientific cooperation. It encourages outstanding Indian social scientists to join research teams for a short period in Europe funded by the European Research Council (ERC). The Ambassador of the European Union to India and the Member Secretary, ICSSR signed the Implementing Arrangement in a virtual mode on 28th October 2020. The EU and India had already

cooperated in the field of research and innovation, but this is the first scheme fostering frontier research in social sciences and humanities. With the signing of this arrangement, an important step has been taken for such kind of multilateral collaboration.

The ICSSR prominently figured in the Research & Innovation section of ‘India-EU Strategic Partnership: A Roadmap to 2025’, an outcome of the 15th Summit between India and the European Union (EU) held on 15th July 2020. It mentions to promote cooperation on social sciences and humanities.

Swiss National Science Foundation (SNSF), Switzerland

ICSSR has signed a Letter of Intent with Swiss National Science Foundation (SNSF), Switzerland on 27 November 2020 to jointly launch a bilateral call for Joint Research Projects (JRPs). The joint call for JRPs shall be based on the principles of promoting scientific excellence, ensuring mutual interest and matching funds from both Parties and have agreed to fund up to eight projects, provided that a sufficient number of highly qualified proposals are received

During the reporting year, the following activities were organised under the ‘Bilateral Collaborative Programme of ICSSR’:

ICSSR-JSPS (Japan) Bilateral Programme

The ICSSR and JSPS, acknowledge the importance of developing the premises of academic cooperation in the fields of humanities and social science between the Japanese and Indian researchers. The major activities undertaken within this programme are: (1) Joint Research Projects; (2) Joint Seminars; and (3) Other collaborative activities as may be mutually decided upon. The ICSSR and JSPS have jointly given a call for joint research projects and joint seminars inviting Indian and Japanese scholars to explore research under India-Japan collaboration in the field of social science research. Against the Joint Call, both sides received a good number of

applications. After going through the review process, joint seminars were sanctioned (Table 3.1 and the following three joint research projects and two Table 3.2):

Table 3.1

ICSSR-ZHAW Joint Webinar

Indian Council of Social Science Research (ICSSR) is having bilateral collaborations with Zurich University of Applied Sciences (ZHAW), Switzerland in the field of social science research in India and Switzerland. In this direction, ICSSR-ZHAW hosted a joint Online Web Experience Exchange session on "Health and Environment" held on November 24, 2020 at ICSSR, New Delhi. The main purpose of this online experience exchange session was that India and Switzerland entertain excellent relations in the area of scientific research, including social sciences. The pandemic, however, has brought most ongoing or planned collaborations between researchers in social sciences in India and Switzerland to a halt. This short online experience exchange offers a way for colleagues in both countries to (re-)connect and exchange experiences and ideas for scientific research in the area of Health and Environment.

Around 350 faculties and researchers at universities, universities of applied sciences or universities of teachers' education and associated researcher organizations in India and Switzerland have registered to participate in this online session. There were three speakers from each of the participating countries addressing on the broad given theme and have had made their presentation on the given theme from both sides.

ICSSR-PSSC Joint Webinars

ICSSR-Philippines Social Science Council (PSSC) have hosted a series of Webinars focusing on the work, stories and experiences of the social scientists during the COVID-19 pandemic. The webinar series named 'Stories from Social Science Communities in India and the Philippines and the COVID-19' specifically aimed to encourage academic exchanges that inquire into perspectives and COVID-19 responses of the governments and social scientists in India and Philippines.

The 1st Webinar on the theme "Examining the COVID-19 Response of India and the Philippines" was held on 15th October 2020.

The 2nd Webinar on the theme "Social Protection Policies and Mechanisms in India and the Philippines during COVID-19 Pandemic" was held on 18th November 2020.

The 3rd Webinar was held on the theme: "Economic Stimulus during COVID-19" on 28th January 2021.

ICSSR-RAS Joint Webinar

A Scientific Webinar on "Preservation of Cultural Heritage" was held on 31 March & 1 April 2021 organised jointly by the ICSSR, Department for International Cooperation, Russian Academy of Sciences (RAS) and with the support of the Indian Embassy in Moscow, Russia. The Webinar focused on Russian-Indian Cooperation in the fields of History and Philology. The interactions not only create networks but also align collaborative research interests on both sides. The thematic areas related to aspects of interdisciplinary domains of Heritage Science and focus on enhancing the understanding and sustainable use of heritage science. The presentations analysed the works related to preservation of museums, galleries, libraries, archives and development of tools and knowledge to continuously interpret the heritage, for current and long-term benefits through archaeometry and other applications.

UN Research Roadmap for the COVID-19 Recovery

The ICSSR Co-Chaired a 'Social Protection Steering Group' created to advice on the development of a 'United Nations Research Roadmap for the COVID-19 Recovery' commissioned by the United Nations Deputy Secretary-General. The final recommendations on **UN Research Roadmap for the COVID-19 recovery** is now released after it was presented before the UN General Assembly. The Roadmap outlines 25 research priorities for the Socio-economic recovery from COVID-19 that will help answer a singularly important question: How can COVID-19 Socio-economic recovery efforts be purposefully designed to stimulate equity, resilience, sustainability

and progress towards the SDGs? The Roadmap also provides an overview of science strategies for a better recovery as well as actions that researchers, research funding agencies, governments, civil society organizations and UN entities can take to act upon it.

Refresher/Orientation Programme

On appointment of Mr. Vishal V. Sharma as India's Ambassador/Permanent Representative to UNESCO at Paris, France by the Government of India, the Ministry of External Affairs communicated to ICSSR to conduct a Short-Term Orientation programme for Ambassador Sharma. The Orientation programme was conducted on 7th October 2020 at ICSSR. The Member Secretary briefed about the ICSSR role in UNESCO particularly with regard to Sub-Commission on Social Sciences. The Officers gave a power-point presentation about the activities and programmes of ICSSR highlighting some of the best publications that we have brought out in recent years. A few best publications were presented to him as a mark of respect.

ICSSR- Economic and Social Research Council (ESRC) - UK Research and Innovation (UKRI) Joint Research Project

The ICSSR and the Economic and Social Research Council - UK Research and Innovation have announced four joint projects under a collaborative bilateral research programme 'The future of UK-Indian trade and cross border investment in a changing global environment'. This joint research will explore the challenges and opportunities in the bilateral trade and investment relationship, providing a valuable evidence base to directly inform policy and practice development in both countries. Each project team is made up of both UK and Indian researchers, and collectively the projects will identify the challenges and opportunities associated with strengthening UK-India bilateral trade and investment relations against this changing international environment, together with the associated policy alternatives facing both countries. The 36 months projects which commenced in early 2021 with an investment of £1.3m from UKRI and matched effort from ICSSR. After going through the review process, the following four joint research projects were sanctioned:

Table 3.3

S. No.	Principal Investigator (PI) Indian Side	Principal Investigator (PI) UK Side	Title of the Project
1.	Prateek Raj Assistant Professor-Strategy Indian Institute of Management, Bengaluru, Karnataka	Sunil Mitra Kumar Lecturer in Economics, King's India Institute, King's College London Strand, London WC2R 2LS	Enablers and Obstacles for UK-India Trade: Banks and Diasporas
2.	Wasim Ahmad Assistant Professor Department of Economic Sciences, Indian Institute of Technology, Kanpur (U.P.)	Ruth Kattumuri Co-Director, India Observatory, London School of Economics and Political Science, Houghton Street, London	Futuristic Ecosystems for Digital Entrepreneurships: UK-India Cross Border Collaborations for Enhancing Knowledge- Economy
3.	Manoj Pant Director and Prof. of Economics, Indian Institute of Foreign Trade, New Delhi	Ingo Borchert Senior Lecturer in Economics, University of Sussex, U.K.	Unlocking the Potential for Future India-UK Trade and Development
4.	Sachin Chaturvedi Director General Research and Information System for Developing Countries (RIS) New Delhi	Thankom Arun Professor of Global Development and Accountability, Essex Business School, University of Essex, U.K.	UK-India Bilateral Trade in FinTech and FinTech- Enabled Services: Emerging Trends and Potential for Growth

ICSSR-British Council (UK)

Indian Council of Social Science Research (ICSSR) in collaboration with the British Council, London, UK, has an Operational Alliance Agreement (OAA) in the field of social science research in India and UK through Newton Bhabha Fund Ph.D. Placement programme. Within the framework of the Agreement, British Council and ICSSR had jointly gave a Call

for Ph.D. Placement programme 2020-21. After peer-review of the applications separately by the ICSSR for the Indian applicants and by the British Council for the UK applicants, the final selection of research scholars of ‘Newton Bhabha Ph.D. Placement Programme’ was made through the virtual joint panel meeting with British Council. The Panel finally selected the following eight Indian Ph.D. scholars and two UK scholars under this programme:

Cultural Exchange Programme (CEP)

Under the Cultural Exchange Programmes, the ICSSR not only sponsors Indian social scientists to visit other countries but also supports foreign scholars under the Exchange Programmes. The purpose of

such visits is to enable social scientists to collect research material, deliver lectures, participate in seminars, consult libraries and interact with social scientists. The ICSSR is presently having ‘Cultural Exchange Programme’ with the following organisations:

National Research Council Thailand (NRCT), Thailand

The ICSSR has collaborative relations with National Research Council Thailand (NRCT), Bangkok in the field of social science under the framework of 'ICSSR-NRCT Bilateral Programme', which includes exchange of scholars and joint seminars/publications. The MoU is based on the continual framework of the 'Cultural Exchange Programme' signed between India and Thailand on 11th September, 2006. The current MoU with NRCT was signed in August, 2013 for a duration of three years and is automatically renewable for another three years, unless either party gives notice to terminate. Within the framework of 'Scholars Exchange Programme', we had invited applications from the Indian scholars under this programme for the financial year 2020-21 to visit Thailand for their research work and similarly, the NRCT has followed the same process by calling applications. We have received 20 applications but due to COVID-19 pandemic, both sides have decided to keep the selection process on hold till the situation gets normal and travel restrictions are removed.

Table 3.6

Year-Wise Distribution of Exchange of Scholars

Year	Exchange of Scholars

Membership of International Organisations

The ICSSR is a member organization of international eminent research bodies such as International Science Council (ISC), Science Council of Asia (SCA), United Nations Educational, Scientific and Cultural Organization (UNESCO), Association of Asian Social Science Research Councils (AASSREC), The Latin American Council of Social Sciences (CLACSO). The Council serves as the nodal agency for participating in the activities of the UNESCO's MOST (Management of Social Transformation) programme and its implementation. The ICSSR is also the nodal agency of the Sub-Commission on Social Sciences constituted by the Ministry of Education under the Indian National Commission for Cooperation with UNESCO (INCCU). The main function of the Commission is to advise the Government on all matters concerning UNESCO.

The International Science Council (ISC) is a membership-based organization governed by a General Assembly and an elected Executive Committee. The ISC members include international professional associations and unions, regional and national social science research councils and academies, universities and institutes with major interests in the social sciences. The Secretariat of ISC is in Paris and manages a dynamic portfolio of programmes and activities aimed at strengthening the social sciences to help solve global priority problems and secure a sustainable future for everyone.

The Science Council of Asia (SCA) is a regional organization of Asia established in May 2000. The SCA has been working to strengthen the cooperation between scientists and facilitate interactions with policymakers in keeping with its role of providing a multi-functional platform of networking for effective partnerships among the countries in Asia. The SCA has constantly reviewed its management and activities in order to maximise its scientific and social influence. The ICSSR actively and regularly participates in various SCA Annual Meetings and Annual Conferences which helps the Council in aligning its

priorities with other member countries. The ICSSR is going to host the 21st SCA Conference which is scheduled to be held in April 2022 at New Delhi.

The Association of Asian Social Science Research Councils (AASSREC) is an organization of national social science research councils, academies, and institutes committed to the promotion of regional cooperation in the field of social sciences among Asia-Pacific countries. It was set up in 1973 to help promote the social sciences in the region and to create an Asian identity for the social sciences, AASSREC seeks to promote Collaborative research among scholars in the region, the exchange of scholarly publications and information among

Asian social science institutions and individuals, and exchange visits among researchers and scholars from its member-countries.

The ICSSR is an Institutional member of Latin American Council of Social Sciences (CLACSO) which is the largest social sciences academic network with nurtured South – South linkages. It has membership in 51 countries in Latin America and the Caribbean, as well as in the United States, Africa and Europe. The Executive Secretary, CLACSO has specifically mentioned that CLACSO values the prestige of ICSSR and is honoured and pleased to be part of their network as a partner institution.

Impactful Policy Research in Social Science (IMPRESS) Scheme

Every nation, at all points of time, aspires to witness positive developments in all dimensions of its life which include economic, social, political, cultural, educational and soon. These aspirations have driven mankind to assess the needs of the society and innovate accordingly.

The very process of evolution suggests how mankind has faced problems and challenges at every stage of development and attempted to overcome these difficulties and adversities through creativity, innovativeness and advancement of new techniques and tools. Thus, the task of nation-building and progress of society are ever continuing.

Many scientists and researchers believe that nation building is an outcome of developments in science & technology or in capital formation. This view gained prominence in almost all major countries of the world which has led to larger parts of their societies failing to equate the swiftness of developments in science & technology. Hence, a number of issues pertaining to development gaps, imbalances, poverty, malnutrition, exploitation of various kinds, inequality, tension, stress, violence, discrimination, security etc. have emerged. These issues have acted and continue to act as impediments to the very process of potential development and human well-being. So, every society needs thorough study of such problems, their causal factors, inter-related issues, acceptable explanations and workable way outs in demanding situations.

The Scenario of Social Science Research

Many commissions and committees of the government as well as thinkers have felt that there is an evident degree of disparity between thrust on

science & technology and social development. Several committees have strongly recommended to encourage and promote social science research (SSR) and its greater participation in public policy. For instance, India's first Higher Education Commission, 1950 (Radhakrishnan Commission) highlighted the disparity between natural and social science, and argued in favour of assigning higher importance and greater allocation for social science research. Indian Education Commission (1964-66), popularly known as 'Kothari Commission', emphasized the need for development of scientific approach in social science research and also urged for the knowledge creation in these areas through training and capacity building programmes. The Commission also recommended for greater allocation of resources for SSR. Though, India's first Education Policy i.e. 'National Policy of Education (NPE), 1968' implicitly held Social Science as Policy Science, yet it insisted on science education and research for national development. However, the Policy recommended that the 'Centres of Advanced Study' should be established or strengthened for the upliftment of social scientific research. The 'National Policy of Education, 1986' and 'Programme of Action, 1992' insisted to minimise the gap between researchers and policy makers and to maintain focus on policy driven research, especially the SSR. The Policy also endorsed the view that inter-disciplinary and trans-disciplinary researches generate greater utility than purely unidisciplinary researches. There is no doubt that research domains have widened in both, science and technology researches as well as in social science researches. There is an increasing appreciation of rising degree of complementarity in researches in both the spheres as the two have to be

deeply interconnected in order to maximize the benefits from such explorations.

Science and technology research, which affirms to improve the quality of life, needs to be completely connected with the society as any deficiency in expected degree of its association with the society is bound to result in concentration of benefits among very few. Besides that, there is a fair degree of realization that social science research and social scientists need to be closely connected to the policy making at all levels, including that in science and technology because the idea is to translate researches into impactful policy documents and make research findings bring about still more improvement in the quality of life. It can happen only when research problems emanate from the society & its problems, and researchers endeavour to provide some pragmatic solution to those problems. The linking of social science research with that of science & technology research is bound to provide a very intense insight even to the scientists and help them make their researches or innovations more easily acceptable by the society. It would also inspire potential social scientists to contribute more vigorously and enthusiastically in policy making. There is no doubt that social science researches are extremely important for policy conception, implementation and final delivery as every policy ultimately is to be appreciated and accepted by the society for attempting to serve it much better. Identification of critical issues also assists the policy makers to formulate better and more acceptable policies, schemes and programmes. In this connection, the role of social science ecosystem is also very crucial. There is no refutation of the fact that no public policy can be very successfully adopted without interacting with the society and its aspirations, and also acquainting it with significant and new developments.

In Scopus database, India is ranked at 7th position for its social science publications and its share in global publications is nearly 4.25% whereas in Science & Technology publications, India is ranked at 3rd place and its share is around 7%. The share of expenditure on social science research is 0.025

per cent of the total budget of the central government while it is 0.7 per cent for the researches in science and the expenditure on SSR is less than 3 percent of the expenditure on science researches. In order to tap its potentials optimally, social science research required a big push for which IMPRESS makes a sincere attempt in the right direction.

IMPRESS (Impactful Policy Research in Social Science)

Impactful Policy Research in Social Science (IMPRESS) is a novel scheme that aims to provide a research-based roadmap to address policy challenges pertaining to society and so, the social science expands. The research-based inputs are the crucial requirements in the process of policy making as a policy should evolve from the society and its concerns and the policy is ultimately expected to respond to societal aspirations. It has been pointed out that the gaps between policy makers and the society need to be bridged. Social science researchers can be very helpful in identification of the gaps between the society and policy makers and they may attempt to provide vital inputs or evidences about the perception, appreciation and outreach of the policies among people. Besides, there may be crucial areas where policy makers require timely inputs, evidence, feedback and participation in order to make policy considerably effective. So, IMPRESS is dedicated to address the issue of bridging the gap between policy making & implementing and the society by generating or encouraging vital inputs from researches in important social science domains so as to assist in having maximum impact on governance and society.

The domain and sub-domain areas need to be identified in a way that encompasses subjects that have been in public policy debate due to new developments, earnest concerns, emerging issues and critical deficiencies. Based on these aspects, the following Eleven (11) important broad domain areas have been identified after a fair extent of consultation:

- a. State and Democracy
- b. Urban Transformation

- c. Media Culture and Society
- d. Employment Skills and Rural Transformation
- e. Governance, Innovation and Public Policy
- f. Growth, Macro-trade and Economic Policy
- g. Agriculture and Rural Development
- h. Health and Environment
- i. Science and Education
- j. Social Media and Technology
- k. Politics, Law and Economics

Since IMPRESS intends to support social science scholars, academicians and policy makers for greater impact of research and policy, and for that, it aims to connect social science researches, their assessment of ongoing policies and suggestions with policy makers. The scheme has more than 100 sub-domain areas within the above mentioned.

Some of these sub-domains include India as a Welfare State, Nature of Federalism in India, Security & Defence Policy, India's Soft Power Policy, Diaspora, Indian Portrayal, Regional Cooperation, Urbanisation, Cities and Sustainability, Urban/City Governance, Urban Transportation, Women Empowerment and its Status, Inclusion and Development of Scheduled Castes & Tribes, Skill and Employability, Rural Transformation, Infrastructure and Transportation, Technology for Rural Transformation, E-Governance and Smart Governance, Innovation, Knowledge and Governance, Technology and Governance, Growth, Inclusiveness, Poverty and Inequality, Ease of Doing Business, Make in India Initiative, Financial Inclusion, Revitalisation of Manufacturing, Informal Sector Issues, Agrarian Distress and related Issues, Food and Nutrition Security, State Level Developments, Environmental Problems and Climate Change, Water Problem, Swachh Bharat Initiative, Universal Health, Disaster and Its Management, Science & Society, Access, Equity and Quality in Higher Education, Digital Learning, Technology and Social Media, Social Media - Networks, Ethics, Accountability

and Big Data Issues, Bureaucracy & Administrative Reforms, Judicial Activism, Rape Survivors and Justice System etc.

The proposal of 'Impactful Policy Research in Social Sciences named scheme IMPRESS' was approved by Government of India in August 2018 with a total budget of ₹ 414 Crore spread over three financial years for its implementation starting from October 2018. ICSSR being a highly reputed social science research Council under the Ministry of Education, Department of Higher Education, Government of India, New Delhi was entrusted with the responsibility of implementing the scheme. ICSSR would also contribute a small part towards project funding from its own allocation for projects.

The scheme has a target to award a minimum of 1500 research projects and 200 seminars/conferences/ workshops. Regular faculty from institutes of national importance, central and state universities, private universities/ Institutes having UGC12 (B) status, and ICSSR research institutes can apply for research programme or projects and seminars under IMPRESS. The proposals are to be invited in a competitive mode through four open calls at an interval of five to six months and the first call was launched in October 2018. The evaluation process is quite transparent as each proposal is to be blind peer reviewed by three experts who are assigned proposals through a computer driven system. Based on the recommendations of the experts and merit, the proposals are shortlisted for presentation & interaction before another Expert Committee which makes its observations/recommendations for the consideration of the 'Steering Committee'. The 'Steering Committee' takes the final decision in the light of merit, observations and recommendations of the Expert Committee/s.

The First Call of IMPRESS

This financial year saw the completion of 175 projects sanctioned under the first call of IMPRESS, out of which 115 final reports were received. The first call was primarily bifurcated into Phase I and Phase II, where, 67 final reports have been received under

Phase I and 48 final reports under Phase II, respectively. Details of the final reports received may be seen at Appendix 11.

The final reports received are checked for plagiarism and after due revision each report is critically reviewed by the concerned domain expert. Four such reports were graded 'excellent' while 28 reports were graded 'good'.

The Project Directors have published their research outcomes in peer-reviewed journals, both international and national, duly acknowledging the Ministry of Education and ICSSR for their research. So far, 69 such papers have been published, which

includes 11 international and 58 national reputed journals. Details of publications may be seen at Appendix - 11.

The Second Call of IMPRESS

The second call of IMPRESS was announced on 28th September, 2019, which received very good response and led to a massive submission of 3565 applications across the country. The interaction with short listed Project Directors have been completed and the list has been submitted for the consideration of the 'Steering Committee'. The process has been impacted by the outbreak of the Covid-19 pandemic.

ICSSR Regional Centres

The Regional Centres were established as part of the Council's programme of decentralising administration, broad basing social science research, and involving social science institutions in the region for promoting social science research. Their main roles were defined as follows:

- Represent the ICSSR within the region and spread the message and the programmes of the ICSSR to social scientists in the region;
- Bring the ideas and problems of the social scientists of the region to the notice of the ICSSR for possible action;
- Bring the social scientists of the region closer for promoting social science research within the region; and
- Serve as a link between the social scientists of the region and the national and international community of social scientists.

Activities

- Promoting documentation and bibliographical work in the regional languages;
- Organizing seminars/ workshops/ conferences in the region;
- Organizing lectures by distinguished scholars;
- Assisting regional professional associations of social scientists and social science journals in the regional languages;
- Providing low-cost accommodation (wherever possible) to scholars/students

visiting the place for library or field work;

- Awarding study grant to scholars for visiting libraries and institutions for academic work;
- Providing photocopying facilities to scholars, especially photocopies of selected articles from journals etc.; and
- Any other activity that may promote social science research in the region and/or any such activity that may be delegated by the ICSSR.

The Regional Centres have developed their infrastructure and research support facilities over the years with the assistance provided by the ICSSR and the host institute. These include hostel/guest house facilities, library space, conference halls, seminar rooms, reprographic facilities etc.

ICSSR Regional Centres

The ICSSR has Six Regional Centres. Their location and coverage are as follows:

- **Eastern Regional Centre (ERC), Kolkata** covers Bihar, Odisha, West Bengal, Jharkhand and the Union Territory of Andaman and Nicobar Islands. Eastern Regional Centre was established in 1972.

ERC, Kolkata situated at 1/R-1, Baishnabghatta Patuli Township, Patuli, Kolkata, West Bengal-700094 is the national Centre to provide social science material to scholars in Bengali and Oriya language. The Centre funded 15 seminars/conferences/workshops. Three research projects have been completed and four

research projects are ongoing. During the year, the Centre funded two publication grants. The website of the Centre is <http://www.ericssr.org>

- **Northern Regional Centre (NRC), New Delhi** covers Madhya Pradesh, Rajasthan, Uttar Pradesh, Uttarakhand, Chattisgarh and Delhi. Northern Regional Centre was established in 1975.

NRC, New Delhi, situated at Jawaharlal Nehru University, CRS Building, Aruna Asaf Ali Marg, New Delhi-110067, acts as a national Centre to provide social science material to scholars in Hindi and English. The Centre funded 20 seminars/conferences/workshops. The Centre completed two research projects during the year while five research projects were ongoing.

- **North-Eastern Regional Centre (NERC), Shillong** covers Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Tripura and Sikkim. North-Eastern Regional Centre was established in 1977.

NERC, Shillong is situated at North-Eastern Hill University (NEHU) Campus, Umshing, Shillong-793022, Meghalaya. The Centre funded 16 seminars/workshops/conferences. The Centre sanctioned doctoral contingency grants to six scholars. Seven research projects are ongoing at the Centre. The Centre organized two webinars during the period under report. The website of the Centre is <http://www.icssrnerc.org>

- **North-Western Regional Centre (NWRC), Chandigarh** covers Haryana, Himachal Pradesh, Jammu & Kashmir, Punjab and the Union Territory of Chandigarh. North-Western Regional Centre was established in 1977.

NWRC, Chandigarh situated at Panjab University Library Building, Chandigarh-160014, organized two research methodology training programmes and two lectures. One research project is ongoing at the Centre. The website of the Centre is <http://www.icssrnwrc.org.in/>

- **Southern Regional Centre (SRC), Hyderabad** covers Andhra Pradesh, Telangana, Karnataka, Kerala, Tamil Nadu and the Union Territories of Lakshadweep and Puducherry. Southern Regional Centre was established in 1972.

SRC, Hyderabad situated at Osmania University Library, Hyderabad-500007, financially supported 12 seminars/workshops/conferences and four Research Methodology workshops. It sanctioned five workshops/training programmes during the year. The Centre has sanctioned grant for translation work of an edited book from English into Tamil language. The website of the Centre is <http://icssr-src.org/>

- **Western Regional Centre (WRC), Mumbai** covers Gujarat, Maharashtra, Goa and the Union Territories of Daman and Diu, Dadra and Nagar Haveli. Western Regional Centre was established in 1972.

WRC, Mumbai situated at J.P. Naik Bhawan, Mumbai University Campus, Vidyanagari, Vidyanagri Marg, Mumbai-400098, has financially supported five seminars/workshops/conferences. The Centre provided financial assistance to two research projects. It also provided grant for publication of three books and two journals and awarded study grant to one scholar.

The major activities of above mentioned Six Regional Centres during 2020-21 are given at Appendix 9.

*Grant of Rs. 305.44 lakh released against the allocation of Rs. 519.35 Lakh for 2020-21. Regional Centres utilized unspent funds of 2019-20 for the remaining balance.

ICSSR Research Institutes

The Indian Council of Social Science Research (ICSSR) provides maintenance and development grant to 24 Research Institutes. Sponsoring of Research Institutes outside the scope of the University Grants Commission (UGC) has been one of the major programmes of the Council committed towards enlarging the base of social science knowledge, improving the quality of research, and promoting an interdisciplinary perspective. These Institutes constitute an important mechanism for implementing the Council's policy of dispersal of research talent and building up research capabilities in different regions of the country, particularly in the areas where social science research is not fully developed.

The Research Institutes have established close links with the scholars in the region as well as elsewhere through various activities such as seminars, workshops, training and consultancy programmes. Some of the institutes are closely associated with national and state level planning and development agencies, and have thereby strengthened the links between research and policy making.

Each Institute determines its own direction of research, which includes a wide spectrum of subjects related to agricultural and rural development, industrial structure and growth, income distribution and poverty, employment and wages, inter-regional differences in levels of development, education, health, nutrition, problems of weaker sections of society including women, energy, technology, ecology and environment, and social, cultural and institutional aspects of development. Thus, research studies have generated substantial empirical knowledge of the structure of Indian economy, polity

and society and their dynamics both at the national and regional levels.

During the last five years, the Institutes have completed 1343 research projects, while 1639 are on-going. These cover a wide spectrum of issues relating to already mentioned above areas. What is more significant in these efforts is that they are not only interdisciplinary in nature, but also focused on regional and local problems. In this process, they have become centres of research for the region's specific issues and have greatly contributed to an awareness about the nature of development problems and potential of the country as a whole. In terms of publications, the Institutes have brought out 729 books & reports and 928 working papers during the last five years.

Another important activity, that has been given importance by the Council, is training of young social scientists by the research institutes through M.Phil. and Ph.D. programmes, workshops and seminars. During the last five years, 217 Ph.Ds. have been awarded and 2330 scholars have been working on their Ph.Ds. The Council can legitimately take pride in its role in promoting the research and training efforts made by the research institutes. A total of 244 projects were completed in these institutes during 2020-21. The total number of ongoing studies at the end of the year was 294.

Research institutes disseminate the results of their research studies in the form of published books, mimeographs, working/occasional papers, etc. During the year under report, the number of books/reports published was 157, monographs/mimeographs were 67 and working/occasional

papers were 268. The number of research papers published was 673.

The institutes also undertake training of young social scientists and assist fresh researchers in designing and conducting their research. To this end, doctoral fellowships have been provided to these institutes. Some of the institutes have been assisting in teaching and training programmes for M.Phil. and Ph.D. students. In addition, as per the Council's policy, they participate in post-graduate teaching, research guidance in the universities and also involve the university teachers in their research programmes. During the year, 451 scholars were working under the guidance of the faculties of the research institutes, 53 were awarded Ph.D. degrees and 52 scholars submitted their doctoral dissertations. A total of 466 seminars and workshops were held during 2020-21.

Profile of Individual Research Institutes:

The focus and activities of the Research Institutes during the reporting year are presented below:

The focus of the **A.N. Sinha Institute of Social Studies (ANSISS), Patna**, was on socio-economic impact studies of roads, bridges and other infrastructure projects, liquor prohibition and its impact on Toddy Tappers, concurrent monitoring of *Lohiya Swachha Bihar Abhiyan (LSBA)* in select districts of Bihar, compendium of traditional medicinal practices with special reference to Santhal, Munda and Oraon, concurrent monitoring of 'NFSA Food Security Act 2013' and challenges of newborn care in Bihar etc. During 2020-21, 23 projects/studies were completed and 11 were in progress. Apart from bringing out 15 research articles by the faculty, the institute also organized four seminars/ workshops/ conferences.

The research activities of the **Centre for Development Studies (CDS), Thiruvananthapuram**, during the year were focused on international trade in health services in Ayurveda, agro biodiversity and impact of current practices of agriculture and allied sectors, Kerala migration survey, study of law enforcement

responses to online violence against women, migration and floods in Kerala, health and Socio-economic effects of temporary labour migration, and locating migration in imagined futures etc. Nine studies were completed while work on seven studies was in progress. One student was awarded Ph.D., three theses were submitted and 39 were working for their Ph.D. degrees. 21 books/ reports and 97 research articles were published, whereas 44 monographs and 17 working papers were brought out by the faculty. Also, 53 seminars/conferences/lectures/ workshops were conducted by the Centre.

The research activities of the **Centre for Economic and Social Studies (CESS), Hyderabad** revolved around study on delivery of specific short-term outputs to best inform COVID-19 impact, agriculture in tribal areas, implementation of forest dwellers regulations in Andhra Pradesh, gaps in the wellbeing of scheduled tribes, literacy and education levels of scheduled tribes, budgetary analysis of Tribal Sub-plan funds, ethnography of Agency Tribes, expenditure on education, remedial teaching or developmental teaching, impact of COVID-19 on school education with special focus on SC students, impact of COVID-19-induced lockdown on informal workers in Telangana State, climate change and contractual terms of tenancy, social and political exclusion and inclusion of marginalized communities in the grassroots political institutions, and impact evaluation of Farmer Producer Companies in Telangana etc. The Centre completed 20 research projects and 23 studies/projects were in progress. The faculty published eight books, 16 research articles/ chapters in edited books. Besides, four working papers were also brought out by the faculty. Three scholars were awarded Ph.D. and 25 scholars were pursuing research. A total of 27 seminars/ conferences/ workshops were organized during the year by the institute.

The main activities of the Centre for **Multi-Disciplinary Development Research (CMDR), Dharwad**, were centered on study of hunger and malnutrition in Karnataka, workers in construction sector in Karnataka, HDI of dalits and tribes, regional imbalances in MSMEs in Karnataka, and situation

analysis of *Saansad Adarsh Gram Yojana (SAGY)* in Karnataka etc. During the period under review, the institute completed five research projects and 10 projects were at various stages of completion. Thirty three scholars were pursuing their Ph.D. work. The Centre organized four seminars/conferences/lectures. The faculty published 10 books/ reports, three monographs and 10 research papers/ articles.

The focus of studies of the **Centre for Policy Research (CPR), New Delhi**, was on study of urban research network in India to surface the implied knowledge on urban informality, strategic approach to India's air quality, urban informal settlements in view of COVID 19 in Odisha, scaling city institution for India, and pandemic & urban planning etc. During the year, the Centre completed five projects and 16 were at various stages of completion. The faculty published two books/ reports. Besides, 36 research papers in journals/ chapters in books were also brought out. The Centre also organized 70 seminars/workshops/conferences during the year.

The **Centre for Research in Rural and Industrial Development (CRRID), Chandigarh**, conducted studies on prevalence of hypertension and diabetes among the middle-aged in Punjab, prevalence of hysterectomy in Punjab, End line Survey of Knowledge, Attitude, and Practices (KAP) of Citizens in Union Territory of Chandigarh, Issues and problems of elderly widows of farmers suicide victims in Punjab, remunerative crop combinations, concurrent evaluation of home based new born care and home based young care schemes in Punjab, health and wellness centres in Haryana, use of renewable energy for agriculture activities in Punjab, status of women infertility in reproductive health programme of India, population projections for million plus cities of India, constraints and prospects of industrial development, study of major industrial clusters in Punjab, documentation of good practices in Saksham Yojana in Haryana, loss of producers of perishable agricultural produce, NLM monitoring of rural development schemes and programme, impact of livestock intervention on gender and equity state, solid waste management problems in the state of

Punjab, and rural credit and financial penetration in Haryana etc. During the year, the Centre completed 22 projects and nine were at various stages of completion. In addition, the Centre organized three seminars/conferences/workshops. Three books and 19 research papers/articles were published by the faculty in various journals and edited books. 30 scholars were pursuing Ph.D.

Appendix 1

List of Members of the Council

1. Prof. Bhushan Patwardhan
Chairman (Additional Charge)
Indian Council of Social Science Research,
New Delhi- 110067
011-26741679
011-26742519
chairman@icssr.org
2. Prof. V.K. Malhotra
Member Secretary
Indian Council of Social Science Research,
New Delhi-110067
011-26741833, 26742059
ms@icssr.org
3. Prof. Deena Bandhu Pandey
Guru Jambheshwar University of
Science & Technology,
House No. E-1, Hisar-125 001, Haryana.
sanskritishodh@gmail.com
4. Prof. P. Kanagasabapathi
403, Surya Apartments,
Bharthi Colony, Peelamedu,
Coimbatore - 641004
pkspathi@gmail.com
5. Prof. Sanjay Kumar (Satyarthi)
F-203, Dunes Residency,
Nani Daman, Daman - 396210
satyarthisanjay@gmail.com
6. Prof. H.S. Bedi
125, Kabir Park, Post office,
Khalsa College, Amritsar - 143002
0183-2258774
harmohinderbedi@gmail.com
7. Prof. Harish Chandra Singh Rathore
Vice Chancellor,
Central University of South Bihar,
Gaya, BIT Campus, PO: B V College,
Patna – 800014
hcsrathore@gmail.com
8. Prof. Panchanan Mohanty
Institute of Applied Sciences & Humanities,
GLA University, Mathura-Delhi Road,
P.O. Chaumuhan, Mathura-281 406
040-23133300, 040-23012068
panchananmohanty@gmail.com
panchanan.mohanty@gla.ac.in
9. Prof. Amita Singh
Chairperson,
Centre for the Study of Law and Governance
(CSLG), Jawaharlal Nehru University,
Nelson Mandela Marg, New Delhi - 110067.
011-26704021, 26704761
Amita.singh3@gmail.com
10. Prof. Kshamadevi S. Khobragade
Vice-Principal & Head,
Department of Environmental Science,
SBES College of Science,
Aurangabad (MS) – 431001
Kshama.earth@gmail.com

11. Prof. T. Subramanyam Naidu
No. 316, 3rd Main Road,
Mahaveer Nagar, Lawspet,
Puducherry – 605008
0413-2255767, 2654760
tsnaidu1952@gmail.com
12. Dr. Rakesh Sinha
Associate Professor,
Motilal Nehru College, University of Delhi
889, Benito Juarez Marg, West End Colony,
Block D, New Delhi, 110021
rakeshsinha46@gmail.com
13. Prof. Aswini K. Mohapatra,
Chairperson,
Centre for West Asian Studies,
School of International Studies,
Jawaharlal Nehru University,
New Delhi – 110067
011-26741293, 26704602
aswinijnu@gmail.com
14. Prof. P.V. Krishna Bhatta
969, S.V. Residency, 8th Main Road,
Srividyannagar, BSK 3rd Stage,
Bengaluru -560085
pvkbhatta@gmail.com
15. Prof. Santishree Dhulipudi Pandit
A3/13 & 14, Meenal Garden,
Patwardhan Baug, Erandavana,
Pune – 411004
santishreepandit@gmail.com
santishreepandit@hotmail.com

Appendix 2

ICSSR Senior Officials

Chairman (Additional Charge)

Prof. Bhushan Patwardhan

Member Secretary

Prof. V.K. Malhotra

Directors

Sh. Ajay Kumar Gupta

Dr. G.S. Saun (on Re-employment basis)

Sh. Ramesh Yernagula

Administrative Officer

Dr. Ashish Deolia

Deputy Directors

Mrs. Alka Srivastava

Mrs. Revathy Vishwanath

Dr. S. M. Verma (on Re-employment basis)

Dr. S. N. Chari

Sh. M.P. Madhukar (on Re-employment basis)

Dr. Abhishek Tandon

(on Deputation upto 23.11.2020)

Dr. Abhay Jain

(on Deputation upto 11.08.2020)

Dr. Vijay Intodia (on Short-term Contract basis)

Dy. Chief Finance Officer

Sh. Naresh Saini

Assistant Director (Publication)

Sh. Abhinav Paliwal

Documentation Officers

Mrs. Reeta Rajasekhar

(on Short-term Contract basis)

Section Officers

Sh. Shambhu Nath Mahto

Sh. Anupam Garg

Sh. Subhash Chand (upto 31.05. 2020)

Sh. Satish Kumar

(on Deputation upto 01.06.2020)

Smt. Suchitra Bhatnagar

(on Deputation upto 01.06.2020)

Systems Analyst-cum-Senior Programmer

Sh. Rajiv Khera

Sh. Pushkar Pathak

The following officials retired/opted VRS or resigned/repatriated during the year:

1. Sh. Subhash Chand, SO, retired on 31.05.2020
2. Sh. Satish Kumar, SO (on Deputation) relieved on 01.06.2020
3. Smt. Suchitra Bhatnagar, SO (on Deputation) relieved on 01.06.2020
4. Dr. Abhay Jain, DD (on Deputation) relieved on 11.08.2020
5. Mrs. Jaspal Kaur, Accounts Assistant, retired on 31.10.2020
6. Dr. Abhishek Tandon, DD (on Deputation) relieved on 23.11.2020
7. Mrs. Durga Mishra, Library Assistant, opted VRS on 01.12.2020
8. Mrs. Bimla Rani, Accounts Assistant, retired on 31.12.2020
9. Sh. Rajender Kumar, MTS, retired on 31.01.2021
10. Dr. S M Verma, Deputy Director, retired on 31.01.2021
11. Sh. Chitra Prasad, Staff Car Driver, opted VRS on 28.02.2021
12. Sh. Vikas, LDC, resigned on 22.03.2021

Appendix 3

Research Programmes/Projects

Research Programme (Ongoing) (General Category)

1. Ruchira Das, Institute of Home Economics, DU, Delhi, "Examining Exclusion on Community School Axis: An Ethnographic Study of Lower-Class Urban Settlement in South Delhi". (₹ 9,16,000)
2. Ganpat Indrasingh Rathod, Swami Ramanand Teerth Mahavidyalaya, Ambajogai, Maharashtra, "Swikaranke Pariprekshya mein Ghumatuon ke Samajik evam Sanskritik Sthition mein Parivartan ke Sanket (Vishesh Sandarbha-Maharashtra, Telangana evam Karnatak ki Dhangar, Goundhali evam Vanjara Janjatiyan)". (₹ 10,00,000)
3. Sanjeev Sharma, University Institute of Applied Management Sciences, Panjab University, Chandigarh, "Green Business Strategies for Gaining and Retaining Corporate Leadership: Modelling the Mediating Influence of Managerial Orientation and Consumer Perception". (₹ 23, 80,000)

List of Research Papers Published by Senior/Post-Doctoral Fellows

In order to motivate more research participation by scholars, the ICSSR fellows are required to produce at least two research papers/articles in reputed journals during the course of their research, related to the theme of their fellowship. Since 2017-18, when this practice was introduced, till 2020-21, 439 research papers have been published by Senior and Post-Doctoral fellows in various Research Journals. Out of these, 47 research papers are published in Scopus Indexed Journals, 61 in UGC Listed Research Journals, 215 in International and 94 in National Journals. Also, 14 research papers have been published in Edited Books. The details of these publications are given below:

Research Papers Published in ‘Scopus Indexed Journals’

1. A. Arun Kumar, “SCL of Knowledge in Indian Universities”, *Journal of the Knowledge Economy*, Vol. 11(3), (2020).
2. Aadil Manzoore Nanda, “Landslide Susceptibility Assessment of National Highway 1D from Sonamarg to Kargil Jammu and Kashmir, India”, *Geojournal*, Springer Nature (June 2020).
3. Abdul Razak, “An Empirical Study on Strategic Alliances of Multinational Companies in the Modern Global Era – A Select Case Study”, *Academy of Strategic Management Journal*, Allied Business Academy, Vol. 17 Issue: 4 (2018).
4. Abdul Razak, “Critical Evaluation of Value Chain Analysis for Assessing Competitive Advantage – A Study on Select Companies of

- E-tailing Industry”, *Academy of Strategic Management Journal*, Vol. 17, Issue 6 (2018).
5. Abhijit Guha, “A Forgotten Book by a Marginalised Anthropologist”, *Social Change*, Vol. 49, No.3, (2019).
 6. Abhijit Guha, “Colonial, Hindu and Nationalist Anthropology in India “, *Sociological Bulletin*, Vol.68, No.2 (2019).
 7. Abhijit Guha, “Scrutinising the Hindu Method of Tribal Absorption”, *Economic & Political Weekly (EPW)*, Special Article, Vol. 53, No. 17 (April 2018).
 8. Anindita Sinha, “Reang Women: Development, Autonomy and Fertility”, *Journal of Human Ecology* (Delhi, India) Vol. 72(1-3) pp173-183 (2020).
 9. Arshad Hussain Bhat, “Health Costs and Economic Loss Due to Excessive Pesticide Use in Apple Growing Region of Jammu and Kashmir”, *Journal of Applied Horticulture*, Vol. 22(3) (2020).
 10. B Dhana Laxmi, “Opportunities for the Female Domestic Workers to Become Entrepreneurs”, *The International Journal of Analytical and Experimental Modal Analysis*, Vol. 11, Issue 8 (August 2019).
 11. Deeksha Chamola, “India of the 1970s and Gulzar’s Construction of Gender: Aandhi as a Case for Indian Women”, *Media Watch*, Vol. 10 (3) (2019).

Appendix 5

Financial Assistance Provided for Organising National and International Conferences/ Seminars in India

Due to the pandemic and the constrained resource position, only National and International Webinars awards were made. However, the Seminars/Conferences both National and International which were awarded during 2019-20, and which could not be conducted due to the pandemic have been rescheduled and are being reported below:

International Webinar (2020-21)

(General Category)

Economics

1. Mousumi Singha Mahapatra, Institute of Public Enterprise, Hyderabad, "Behavioural Finance" at Hyderabad from 16-18 December 2021. (₹ 50,000)

Social Psychology

2. Madhurima Pradhan, Lucknow University, Lucknow, "Positive Psychology Interventions for Promoting Sustainable Happiness in Society" at Lucknow from 31 October- 01 November 2021. (₹ 50,000)

National Webinar (2020-21)

(General Category)

Commerce and Management

1. Ekta, St. Xavier's College, Rajasthan, "Dimensions of a Pandemic: The COVID-19 Crisis" at Jaipur from 11-12 February 2021. (₹ 30,000)
2. A. Sengottaiyan, Kongu Arts and Science College, Tamil Nadu, "Agricultural Marketing and Agri-business: Innovation, Reforms &

Digitalization Strategies" at Erode from 14-18 June 2021. (₹ 30,000)

Education

3. V. Srikanth, IPE, Hyderabad, "Social Sciences Research, Teaching & Learning Experiences during COVID 19 Pandemic" at Hyderabad from 25-26 March 2021. (₹ 35,000)
4. Revathi Ellanki, Centre for Economic and Social Studies, Hyderabad, "National Education Policy 2020: State level Implementation Strategies, Process, Issues and Challenges in Higher Education" at Begumpet from 28-29 April 2021. (₹ 35,000)
5. Elena Philip, St. Aloysius College, Madhya Pradesh, "New Educational Policy 2020: Socio-economic and Political Implications" at Jabalpur from 15-16 January 2021. (₹ 30,000)
6. Sudheer Chalasani, NRI Institute of Technology, Andhra Pradesh, "A Study on Blending Remote Teaching and Learning Strategies among Urban and Rural Colleges in the State of Andhra Pradesh: A Solution to COVID -19 Crises" at Pothavarappadu from 2-3 July 2021. (₹ 30,000)

Law/International Law

7. R. Ponnuram, Pasumpon Muthuramalinga Thevar, Tamil Nadu, "Legal Strategies to Prevent and Challenges to Control of Cyber Violence Against Women and Girls" at Usilampatti on 29th April 2021. (₹ 30,000)

Political Science and Public Administration

8. Jamini Buragohain, S B Deorah College, Assam, "Indian Diversity: Its Challenges and Prospects"

at Ulubari, Guwahati from 11-12 June 2021. (₹ 30,000)

Sociology and Social Anthropology

9. Sunita Reddy, Jawaharlal Nehru University, New Delhi, "Safe Spaces for Children: Revisiting Child Protection System in India" at New Delhi from 20-21 May 2021. (₹ 35,000)

Social Geography and Population Studies

10. Anupama Dubey, Institute of Public Enterprise, Hyderabad, "Issues and Challenges of Migrants and Informal Workers: Scenario during Pandemic" at Hyderabad on 24th August 2020. (₹ 35,000)
11. C. Sreeramulu, SGGDPGC, Andhra Pradesh, "Sustainable Development of Livelihood among Scheduled Tribes in India with special focus on Particularly Vulnerable Tribal Groups (PVTGs): Issues and Challenges" at Piler from 10-12 February 2021. (₹ 30,000)
12. Madhu Gupta, Postgraduate Institute of Medical Education and Research, Chandigarh, "Rising Inequality of Avoidable Mortality and Morbidity-Need of a Balancing Exercise" at Chandigarh on 19th March 2021. (₹ 35,000)

Social Linguistics/Social-Cultural Studies

13. Vijaykumar Shrirang Bandal, RBAASCC, Maharashtra, "Impact of Culture and Media on Government Policy" at Beed (Maharashtra) on 15th January 2021. (₹ 30,000)
14. Poonam Rani, Harsh Vidya Mandir PG College, Uttarakhand, "Women in 21st Century Indian Literature: Contemporary Issues and Perspective" at Haridwar from 24-25 April 2021. (₹ 30,000)

Social Psychology/Psychology

15. Shailja Sharma, BLJSC, Haryana, "Socio-ecological Perspective in Psychological Well-being" at Tosham from 27-28 March 2021. (₹ 25,000)
16. D. Saravana Priya, P. A. College of Engineering and Technology, Tamil Nadu, "Mental Health and Psychosocial Aspects of Coronavirus Outbreak in India: A Psychological Perspective

on the Benefit of College Students" at Pollachi from 19-23 April 2021. (₹ 30,000)

(SC Category)

Library

The library provides a host of "Users Oriented Services" such as Reference Services, e-journals,

Documents Delivery Services (DDS), Institute's News Services (INS), Seminar Alerts, Bibliographic Service, Current Awareness Services (CAS) of recent reports and publications and e-library services. There is also a link on the website for ANSISS e-library. ANSISS library has also access to most of the databases of Social Studies. New books and reports of the library are powered by e-Granthalaya 4.0. Library extends facility of free access to e-resources from NASSDOC-ICSSR. Members of the faculty as well as doctoral and post-doctoral fellows can access full text journals titles from various databases apart from subscribed e-journals on Static IP addresses. The databases include Online EPW, EconLit (EBSCO), JSTOR, IndiaStat and Prowess. The library also subscribes some important national weeklies besides newspapers. At present, the library has 33,566 books. In addition, there are 33,180 bound volumes of journals and reports. During 2020-21, the library added 95 books and also 48 reports and bound volumes of Indian and foreign journals.

The library has personal collection of Lok Nayak Jayprakash Narayan (JP) which is a gift from him. The collection consists of nearly 3,000 books and wide range of subjects. All such documents have been kept under separate section known as the "JP Collection". The institute's library has been designated as one of the Depository Libraries in India by International Organizations like UNCTAD and UNESCO. During the period of lockdown, the library, with cooperation of NASSDOC, provided online access facility of journals and databases to members of faculty, doctoral fellows and Pre-Ph. D. Course students at their home through user id and password.

The Institute's library is running a "3-Month Library Internship Programme" for Master's Degree students of Library and Information Science. One day Library Orientation Programme was also organized on 17.03.2021 for the new enrolled students of Pre-Ph.D. Programme 2020-21 of the Institute.

Library

During the reported year K.N. Raj Library provided circulation services, reservation service, journal contents page alert service, bibliography service, literature search, selective dissemination of information (SDI), Library Blog and social media based information service, new additions list & display, photocopying facility, document and data delivery, and inter-library loan facility through DELNET.

KN Raj Library is fully computerized and for the users convenience the library catalogue [OPAC] is made available online. Information Repository (Digital Library) is installed to capture/preserve digital content and make them accessible to scholars and faculty. "India Time Series (ITS) database" by EPW Research Foundation. ITS at present includes the following 23 modules (1) Agricultural Statistics, (2) Agricultural Wages in India, (3) Annual Survey of Industries, (4) Banking Statistics, (5) Combined Government Finances, (6) Domestic Product of States of India, (7) Economic Census, (8) Educational Statistics, (9) Employment Statistics, (10) External Sector, (11) Finances of Government of India, (12) Finances of the State Governments, (13) Financial Markets, (14)

Health Statistics, (15) Industrial Production Series, (16) Insurance Statistics, (17) Mineral Statistics (18) Monetary Statistics, (19) National Accounts Statistics of India, (20) Power Sector, (21) Price Indices, (22) Statistics of Mines (23) Wage Rates in Rural India. ProwessIQ database of large and medium Indian firms is provided through the ICSSR/NASSDOC consortia. It includes the data and information on the financial performance of more than 20,000 firms from 1989 onwards. The database covers most of the organized industrial activities in India. UN Comtrade contains detailed imports and exports statistics reported by statistical authorities of close to 200 countries or areas. It concerns annual trade data from 1962 to the most recent year. UN Comtrade is considered the most comprehensive trade database available with more than 1 billion records.

KN Raj Library is having 18197 bound volumes of journals / periodicals. This includes complete run of several valuable publications like Economic Journal (1891 onwards), and Economic and Political Weekly (1966 onwards). The KN Raj Library subscribed to 78 print Journals (Indian – 26, International – 52) and 12 News Papers. It received 40 periodicals / journals as gift (Indian – 35, International – 5) in print format. KN Raj Library also subscribes to the e-journals collection Oxford Online – Social Science collection (86 journals), Wiley Online (22 journals), ProjectMUSE – Social Science collection (113 journals), Science Direct - Economics, Econometrics, and Finance (SD-EEF) journals (106 journals). Subscription to the e-journals collections "EconLit" (599 journals) and "JSTOR" (2400 journals) were renewed through the ICSSR/NASSDOC consortia. During the year 438 books, 109 ebooks and 3 CD-ROMs / DVDs were added to the collection.

Conferences/Seminars/Lectures

The institute organized five lectures during year 2020-21.

Research Affiliation and Ph.D./M.Phil.

Given the pandemic situation and subsequent lockdown in March 2020, the classes for the second semester for the Ph.D. batch (2019-20) were conducted in virtual mode from beginning of April to mid-August, 2020. The second semester examinations were held in December 2020 and the results were announced in March 2021. Notification for admission into the regular Ph.D. programme in Development Studies for the academic year 2020-21 was released on 7th June 2020. Eight candidates have been selected for admission into the Ph.D. Programme in the disciplines

of Economics, Political Science, Sociology, Geography, and Development Statistics. First semester classes commenced in November, 2020. Special lectures by eminent academicians are conducted every month to enable the students to understand the nuances of research. The students are encouraged to make presentations and they presented on impact of COVID 19 on the economy and also on Union Budget 2021.

Library

The library attained the distinction of being one of the richest libraries of the Telangana state, particularly in the field of Economics and its related fields. The library provides access to print and electronic resources, like books, journals, newspapers, CD-ROMs, Government Reports, e-journals, e-databases in a pleasant reading environment to its users. The Library is also having a

rich collection of World Bank publications as the only Depository Library of the World Bank in the state. The total collection of the library is more than 50,000 volumes which include 3450 journals back volumes, different types of documents of various institutes in India, theses, statistical reports of Central and State Governments, annual reports, reference books, text books, print journals subscription etc., in addition to the national and international databases. The Library is fully automated with the KOHA - Library Management Software to provide quality services to its users. The new *additions/ subscribed resources in the financial year 2020-2021 include 312 volumes of books, 100 titles of Print Journals, and databases including JSTOR, EBSCO-EconLit, EPW Research Foundation India Time Series, and IndiaStat.*

The Library is striving to update its user's knowledge through the services like Document Delivery Service, Current Contents, Articles database of Print Journals, Online literature search services, Conference alerts, Reprographic Service, Inter Library Loan, Current Awareness Service, Selective Dissemination of Information, and User awareness programmes. During the testing times of COVID-19, the library provided remote access to its resources through a secured environment and also the library staff supported all its users whenever they are in need over phone and online.

Funds (Un-audited) 2020-21
CESS, Hyderabad

(₹ in Lakh)

Income	Amount	Expenditure	Amount
Salary & Maintenance Grants		Salary & Maintenance Grant	
ICSSR Grant		Salary	
Salary Grant (OH-36)	215.00	ICSSR Approved Posts	478.84
Maintenance Grant (OH-31)	10.00	Other Posts approved by BOG	56.93
State Government Grant			
Plan	100.00	Establishment/ Administrative Expenses	112.26
Centre's own resources			
Ph.D. fee/Maintenance of Accommodation/ Interest on SB Account etc.	20.47		
Contribution from CDF/RDF & Corpus Funds	302.26		
Sponsored Projects	619.22	Sponsored Projects	455.77
Sponsored Fellowships	16.80	Sponsored Fellowships	29.18
Sponsored Seminars/ Workshops/Training Programmes	5.54	Sponsored Seminars/ Workshops/Training Programmes	6.64
		Excess of Income over Expenditure	149.67
Total	1289.29	Total	1289.29

Reasons for Excess of Income over Expenditure:

- 1) The overspent grant of Rs.0.30 lakh under Salary/Maintenance/Plan is mainly due to non-receipt of sufficient grant from State Government though adequate funds were met from Centre's own resources and also due to increase in unavoidable research and maintenance costs.
- 2) The unspent amount of Rs.163.45 lakhs under sponsored project is due to grants released in advance for on-going projects and also due to receipt of grant dues from sponsorers during this year.
- 3) The overspent amount of Rs.12.38 lakh under Fellowship is due to continuation of scholars of previous financial year for which the amount was received in advance from ICSSR for current academic year.
- 4) The overspent amount of Rs.1.10 lakh under sponsored Seminars & Workshops is due to amount due from the sponsorers.

Library

The CPR library has a collection of a total of 10961 books after weeding a few old books. The library subscribed to 41 journals and received gratis 60 periodicals. These cover major policy fields of concern to scholars at CPR. In addition to these, 18 daily newspapers are being received in the library. [13 newspapers received as hardcopy and remaining 5 newspapers received as digital version only]. 153

books were added to the library of the Centre. The acquisition mainly related to books of subjects such as Policy Sciences, Economic Policy, Urbanisation, Political Science, Futurology, Social Indicators, Foreign Policy, Defence and other fields of relevance to Research Programmes of the Centre.

The CPR library depends upon the services of 25 libraries of various academic and other research institutions in Delhi which have been generous enough to lend their books and journals for the Centre's use on the principle of reciprocity. The library continued to be a member of the Developing Library Network (DELNET), New Delhi.

Library

The Library provides reading facilities along with IP bases access to the institutional resources to the scholastic community. The lending facility is restricted to the institutional members only. Reference service, bibliography and customized information service, database search, referral service, reprographic services, etc. are extended to the researchers. The entire book collection of the Library is reflected through its online catalogue. This Library OPAC is accessible during working hours. Circulation of books is also managed electronically as KOHA is an integrated library system that helps the Library to perform real-time processing. But at the same time manual records are also kept for circulation purposes.

The Library has preserved almost all the back-volume journals since inception and it tries to acquire the missing issues of the same as and when feasible. The Library entirely depends upon the ICSSR/NASSDOC Consortia for accessing e-resources such as JSTOR, EBSCO Econlit, PROWESS IQ and IndiaStat. Thanks to ICSSR-NASSDOC for the support. ICSSR/NASSDOC REMOTEXS platform has helped the Library to serve the users during the pandemic. Due to the pandemic, the Library was able to renew only 14 journal titles in financial year 2020-21.

Library

The Vina Mazumdar Memorial Library (VMML, CWDS Library) named after the Late Prof. Vina Mazumdar is an integral and effective part of CWDS and has a huge collection of research materials related to gender and women studies since the 1980s. The services available are Reference and Referral Services, Reading Room Services, Database Search Facilities, Web-Bibliographies, Document Delivery Services, Inter-Library Loan Facilities, Photocopy/Printouts Facilities. The Digitization/software services available in the library are as follows: IDR (Institutional Digital Repository). This collaboration had been developed under National Mission on Education through ICT (NMEICT), an initiative of the Ministry of Human Resource Development (MHRD).

A total of 4000+ e-documents have been digitised and integrated in DSpace under major categories viz. Institutional Collections, Individual Collections, Conference Document Collections, Miscellaneous Collections and Periodical Articles. Till date, a total number 1,42,500 pages have been digitized in the forms of PDF image and text (through OCR). An oral history series with the name “From Memory to History” has been initiated under which experts on women’s issues are invited to share their long engagement and experiences in an interview which is documented and preserved in the library. So far, 12175 (approximately) clippings have been digitized for the period from 1984-till date and are accessible on Intranet. An Electronic Discussion List on Gender Issues in South Asia: VMML is moderating BOL since 2000. Currently it has 1150 members from 40 different countries. The Library provides the access to the following online databases, which are funded by the ICSSR: (i) JSTOR; (ii) Collections of back volumes of Journals/periodicals etc.

The total number of titles of Journals/ Newsletters (national and International) is 726 and number of back volumes of Journals/ Periodicals is 1145. The Library subscribed 36 Indian journals and received 40 complimentary journals/ newsletter (Indian/ International) on complementary basis and also received 6 journals on exchange basis for IJGS. A total of 1,308 articles from journals and newspapers were added during the year. Full-text newspaper articles were downloaded/ digitized and added to e-collection. A total of 211 books, monographs, reports, conference documents were also added to the library collection during the period. The Library subscribed 36 Indian journals and received 40 complimentary journals/ newsletter (Indian/International) and also received 6 journals on exchange basis against IJGS. Presently the Koha (catalogue) database has over 131182 records including 38,700 full text articles from journals and newspapers available only through internet.

Library

The Library provides the following services: Issue-return service; Reference service; Newspaper clippings; Photocopying; Inter-library loan; Services through Internet; Database/article search; Online Public Access Catalogue (OPAC); Scanning facility; Current Awareness Service (CAS); New arrival list (through e-mail). All the library functions are fully automated using the user-friendly library management software KOHA and CDS/ISIS. Bibliographic details of library holdings are accessible through OPAC from the library computers. Apart from its own holdings,

OPAC facility also provides access to articles from selected Indian and foreign journals. At present, the library had a collection of 3695 bound volumes and 22,622 books selectively chosen for reading and reference which include reference materials, reports, books and micro materials. The subjects covered include urban development, industry, employment and labour studies, ecology and environment, forestry, health and social welfare, women studies, population studies, social sector, infrastructure, finance, banking,

land and agriculture studies, water and natural resources, economics, economic development and planning.

The library has a good collection of micro materials which include working papers, occasional papers and research reports from national and international organisations of repute. About 53 printed national and international periodicals are subscribed. During the year 28 books were added to the collection.

3. CES Director & faculty, "College Student's Aspirations towards Higher Education" financed by Indian Institute of Education, Pune.

Research Affiliation and Ph.D./M.Phil.

The M.Phil. and Ph.D. programme offered by the Centre for Educational Studies, of the Indian Institute

of Education, is affiliated to the Savithribai Phule Pune University. During the year, four scholars were awarded Ph.D. degree, six students submitted their Ph.D. thesis and 12 scholars were pursuing Ph.D. Three scholars were awarded M.Phil. degree and four students submitted their M.Phil. thesis. One post doctoral fellow and one senior fellow are currently associated with the institute.

Publications

Books

1. Murzban Jal, "The Legacy of Karl Marx", (Delhi: Aakar Books, 2020).
2. Manoj Kar, "Sustainability of Rural Health Care and NGOs in India", Kalpaz Publications (New Delhi: Gyan Books, 2021).

Research Papers and Articles in Journals/ Chapters in Books

The faculty of the institute published 27 research papers/articles in various journals and two chapter in published books during the year 2020-21.

Library

The library of Indian Institute of Education is one of the best libraries in the field of education. It provides reference service, reprographic service, internet search service, bibliographic service and circulation service to its users. Daily, Monthly and Annual membership of the library is made available to users. It possesses Census 2011 data in the form of CD. Data from the CD is also made available as and when demanded by the library user. A notable treasure of the library is the collection of valuable books and articles written by and written on Prof. J.P. Naik. The collection is scanned and is made available to the research scholars for their reference. During this academic year, 35 new books were purchased for the library. Total collection of the books in the library is 30,727. Besides books, back volumes of the journals are also available in the library. Library subscribes to 20 periodicals. It also receives periodicals on complimentary basis. The library is used by the students, research scholars and teaching staff from various academic institutions in and around Pune. It is also used by the people working in NGOs and other government organizations.

Book Reviews

1. Mahamallik Motilal (2020), “Open and Distance Learning in Secondary School Education in India”, (edited by Jotshna Jha and et al), Madhya Pradesh Journal of Social Sciences, 25(1), December, pp 94-106, ISSN. 0973-855X.
2. Jain Varinder (2020), “Agriculture Innovation Systems in Asia: Towards Inclusive Rural Development”, edited by Lakhwinder Singh and Anita Gill, London and New York: Routledge (Taylor & Francis Group).

Library

The Library provides 1) Reference Service, 2) Bibliographic Service, 3) Reprographic Services, 4) Inter Library Loan and 5) New Arrival List. Apart from the IDS Faculty and research staff, these services are given to students and scholars from India and abroad from various institutions/universities and officials from government departments. IDS Library is using the CDS/ISIS software for Windows, developed by UNESCO for easy and speedy storage, faster processing and retrieval of information system. This also facilitates speedy retrieval of individual

volumes/titles based on individual fields such as author, title, subject, keywords and accession number. The in-house indexing database of published articles of various academic journals touched 46,334 records by the end of March 2021 in well retrieval/searchable format. Presently, the IDS library has computerized 46,334 articles, 22,315 Books and 11,764 Research material of various institutes in its in-house collection. The library also has access to key online resources such as JSTOR, IndiaStat and EconLit through ICSSR Consortium. It also has access to EPW (Full Text) and EPW Research Foundation India Time Series data (EPWRFITS). It also has various Census data and International databases on CD Disks. The library has 216 CDs in total.

The IDS Library has About 6710 back volumes of journals periodicals etc. The library continues to subscribe 30 journals of foreign origin & 72 journals of Indian origin. It also subscribes 8 English newspapers and 6 Hindi newspapers which helps researchers to keep track of policy and development issues. The library has added 31 books, 61 research materials, 717 articles indexed, 216 Data CDs and 92 books.

Funds (Un-audited) 2020-21
IDS, Jaipur

(₹ in Lakh)

Income	Amount	Expenditure	Amount
ICSSR Grant		Salary	
Non-plan (OH-36)	10.00	Non-plan (OH-36)	284.55
Plan (OH-31)	-	Plan (OH-31)	-
State Government Grant		Establishment/ Administration Expenses	-
Non-plan (OH-36)	40.00	Non-plan (OH-36)	
Plan (OH-31)	-	Plan (OH-31)	22.37
Income from Own Sources (Projects, Fellowship, Consultancy etc.)	19.12	Projects, Fellowship, Workshops/Training Programme, Other Misc. Expenditure.	-
Any other Source (Interest, Rent etc)	8.77	Misc. Expenditure	-
*Excess of Expenditure Over Income	229.03		
Total	306.92	Total	306.92

* The expenditure incurred on salary and maintenance of office premises are committed expenditure and, therefore, it is a fixed cost and cannot be reduced. The IDSJ has limited sources of Income, viz., (i) Grant from ICSSR, (ii) Grant from Government of Rajasthan and (iii) Own Source Income. Government of Rajasthan has been releasing a fixed grant amount of Rs. 40.00 lakh for the last 10 years. The faculty strength in IDSJ has been four during the reference period against the sanctioned post of 16, of which two senior faculty members have been holding Director and Secretary posts for the last few years. To a great extent, generation of own income through research projects, workshops and seminars have been constrained by the miniscule size of faculty in IDSJ. The excess of expenditure over income (Rs.229.92 lakh) may be viewed against the backdrop explained above.

**Institute of Economic Growth (IEG),
New Delhi**

Research Projects (Completed)

1. Sangeeta Chakravarty and Brajesh Jha, "Future Market for Agriculture Commodities in India", funded by Ministry of Agriculture and Farmers Welfare (MoA & FW), Government of India, April 2019 to September 2020 (Draft report submitted in 2020, final report will be submitted in 2021).

Library

The IEG Library contains a specialised collection of books and documents in the social sciences, with an emphasis on development and planning. It caters mainly to the needs of faculty research and training. It also has micro documents, serials and official publications brought out by research organisations, corporate bodies, international organisations and their allied agencies, universities and the Central and the State governments, departments and their research and evaluation cells.

At present, the library has about 1,48,195 accessioned documents (as on 31st March, 2021), including books, monographs, workshop papers, conference proceedings, and about 3,500 statistical serials in the social sciences containing statistical information on India and other countries. It also has micro documents such as Institutional Research Reports, working papers and annual reports of companies and government departments and other bodies. In addition, it has a stock of 23,000 back volumes of journals of 1,250 titles. The library receives 187 journals of which it obtains 67 journals on subscription, 28 journals in exchange and 92 journals in gratis. The library exchanges IEG’s research output and publications (including its journal, *Contributions to Indian Sociology*) with similar institutions in India and abroad.

The library has a complete set of census reports commencing from 1872. For the period 1872 to 1951, the census data is in microfiche format and from 1951 to 2011 in hard copy. For 1991, 2001 and 2011, the census is also available in CDs. It also has a unique collection of old manuscripts and documents which it inherited as part of the UNESCO collection. The IEG Library is also having a good collection of important dataset and CDs of ASI, NSS, World Bank, IMF, ADB etc. Its total CD-ROM collection is 1396 as on 31st March, 2021.

IEG Library has digitized IEG Working Papers, IEG Discussion Papers etc. All these IEG research papers (full text) may be accessed from the IEG Intranet. IEG Library has also developed a data centre.

Presently, the library is connected with the University of Delhi's LAN systems and a member of DELNET.

This allow access to many online resources, journals and databases like Taylor and Francis, Oxford University Press, Cambridge University Press, Sage Online, JSTOR, ScienceDirect, etc. Library receives some databases through ICSSR also like Prowess (CMIE), JSTOR, EBSCO, IndiaStat etc. IEG library also subscribes some databases like District Metrics, EPW Research Foundation etc.

IEG Library had conducted few users' orientation and training programmes for our faculty and researchers. During the 2020-21, the institute organized EBSCO database uses training (online) for the faculty and research staff. Apart the above IEG Library also provides internship training for short durations in the field of Library and information science students from the University of Delhi and Institutions etc.

Research Papers and Articles in Journals

The faculty of the institute published 35 research papers/articles in various journals during the year 2020-21.

Research Reports / Monographs/Working Papers

1. R.K. Mishra, K. Trivikram, & Shaheen (2020), "COVID-19: The Pandemic Lessons between Lives and Livelihood: The Indian Scenario"

Library

The computerized library has over the years built a robust collection of over 55,089 which includes books, reports and journal back volumes in different areas of management and information technology. It subscribes to 200 international / national journals and magazines in hard copy and 14 national/regional newspapers, and has a rich collection of working papers, 106 doctoral theses, and 3500 students' project reports, 200 audio/video CDs etc. During the year 2020-2021 total titles 1013 added.

The Library also provides access to the best of business and management related digital resources through its subscription to various databases consisting of scholarly and industry-relevant content. It is at the heart of IPE's Academic Center and is designed to meet the information needs of the IPE community and is also the source for news on the latest developments in business and management. The IPE library provides the online databases including EBSCO: EconLit & Business Source elite, JSTOR,

ProQuest – ABI Info Global, Prowess IQ– CMIE Prowess, Bloomberg database, Indiatat, EPWRFITs, PRIME Database, INFLIBNET N-List, DELNET, ICSSR Data Service: Social Science Data Repository NDL: National Digital Library and SWAYAM – NPTEL Local Chapter.

The library's collection also includes the publications of the Controller and Auditor General (CAG) of India; the Annual Survey of Public Enterprises brought out by the Ministry of Industry, Government of India; and also the evaluation reports brought out by the State Bureau of Public Enterprises. The library provides an environment that is conducive for learning, with excellent facilities to students, researchers and faculty for their research training and consultancy activities. It also caters to the needs of enterprise managers, practitioners from the industry, government and policy makers. In pursuit of quality research, the library has specialized shelves for subjects like Corporate Governance, Technology, Governance, Corporate Social Responsibility, Privatization etc. The service available in the IPE Library: Reference Services, Bibliographic Services, Internet Information based service, WebOPAC, E-Journals full text, Reading material service for Training Programmes, Reprographic service, E-mails Services, Newspaper Clipping Services. Library software package for LMS- NewGenlib and Institutional Repository DSpace.

Library

Dr VKRV Rao Library is one of India's premier research libraries in social sciences. Since its inception in 1972, the library has been an integral part of the institution, providing efficient and timely support to the institute's faculties, researchers, Ph.D. scholars as well as to policy makers, administrators, consultants, students from all over the country. Library offers services such as research data service, lending service, reference service, current awareness services i.e. new additions, current journal list, current contents and monthly index of articles to its esteemed users. Inter-library loan services are provided to the users, with the well-established libraries such as IISc, ISI Bangalore, IIM Bangalore and DELNET.

Dr. VKRV Rao Library, Institute for Social and Economic Change, Bangalore is fully computerized using LIBSYS software. The major databases available are JSTOR, Econlit Fulltext; Indiatat.com; EPWRF ITS; CMIE Prowess; IMF Databases and Worldbank Data. The Library digitization programme has been going on strongly and the number of documents digitized has crossed 14,000. The digital library is hosted in DSPACE digital library server located in the library and available to global social science research community.

The library collection now stands at 1,40,336 which consist of 48,590 books, 49,705 reports 22,709 bound volumes and 19,332 other documents. Back volumes of many important journals were maintained from the first issue onwards. Current subscription includes 265 journals consisting of 141 foreign and 124 Indian journals. During the year 2020-21, 181 documents consisting of 79 books, 93 reports and 9 other documents were added to the library collection.

Book Reviews

1. Akhilesh Kumar Sharma. (2020), "Book Review", *Journal of Asian Economic Integration*, Vol. 2, No. 1, April, pp. 122–125. Review of *Fintech for Asian SMEs* by Naoko Nemoto and Naoyuki Yoshino (Eds.), Asian Development Bank Institute, 2019.

Library

The library provides a variety of services to its users. These include reference *queries*, *referral services*, *reprographic services*, *document delivery services*, and *inter-library loan*. It has established contacts with many national organisations for exchange of the Institute's publications and inter-library loan arrangement. To facilitate easy and quick

access to the new collection, a *current awareness service* is provided by the library on a regular basis to inform the users about the new acquisitions of the library, i.e. new books/reports. The Library is an active member of DELNET and has been making considerable use of the network's facilities for inter-library loan, acquiring references, document delivery services, and ascertaining the availability of documents.

The Digital Document section of the Library plays a complementary role by acquiring and storing relevant documents in electronic form for easy reference and sharing. Presently, a collection of about 650 documents is hosted on Greenstone and is accessible within campus network. Recently, library automation has been enabled using KOHA. Total collection of back volumes of journals/periodicals is 3,306 and the total holdings in the library stood at 16,545 as on March 31, 2021. The library currently subscribes to a total of 140 publications comprising academic journals/periodicals & magazines, and 14 English daily newspapers. The library has *e-Databases* including CMIE – Prowess IQ, CMIE – Economic Outlook, CMIE – States of India and CMIE-Capex dx, EPWRF India – Time Series online database and IndiaStat.

The library has subscription to *Full text e-journals* including EconLit and JSTOR. Additionally, the library subscribes to forty-one full text e-journals from Sage India and one from EPWRF, and, has access to full text articles of these through login & password. Besides these, the Library continues to subscribe to IMF e-Library statistics. In 2020–21, a total of 254 processed documents including books, reports, bound volumes, CDs/DVDs have been added to the library.

Conferences/Seminars/Lectures

The institute organized three national webinars and five workshops/training programmes during the year 2020-21.

Research Affiliation and Ph.D./M.Phil.

MPISSR is a recognised research centre of Vikram University, Ujjain for research leading to Ph.D. in Political Science, Economics, Geography and Sociology. The Institute offers three ICSSR Institutional Doctoral Fellowships, annually to pursue Ph.D. on topical issues of social sciences. Apart from scholars under ICSSR Fellowship, MPISSR also offers guidance and research facilities to scholars under open category, and also under various UGC Fellowships. Currently, 23 research scholars are pursuing Ph.D. in Political Science, Economics, Commerce and Sociology. Five scholars have been awarded and two scholars have submitted their doctoral thesis from MPISSR Ujjain during 2020-21. During this year two scholars have submitted their Post Doctoral thesis sponsored by ICSSR, New Delhi.

Publications

Books

- Yatindra Singh Sisodia & Tapas Kumar Dalapati, "Strategies for Human Development and People's Participation: Challenges and Prospects in Rural India" (2020), Primus Books, New Delhi.

Research Papers and Articles in Journals/ Chapters in Books

The faculty of the institute published four research papers/articles in various journals and one chapter in published book during the year 2020-21.

Research Reports/Monograph

- Yatindra Singh Sisodia & Tapas Kumar Dalapati, "Inclusion of Women amidst COVID-19 Outbreaks: Accessing Implementation of MGNREGS in Madhya Pradesh", Research Report, MPISSR-UNICEF, 2020.

Library

The MPISSR library has a good collection of books, journals, periodicals, annual reports, newsletters, working papers and monographs related to social sciences. The library offers following services to its users (i) Current Awareness Service (ii) Selective Dissemination of Information (iii) Current Content list for Journals/Periodicals (iv) Reprographic Services and, (v) Circulation Service. The library has 17230 books and 3000 bound volumes of journals. The library exchanges the Institute's research output and publications, including its journals i.e. Madhya Pradesh Journal of Social Sciences and Madhya Pradesh Samajik Vigyan Anusandhan Journal published with financial assistance of ICSSR, with other social science institutions of India. MPISSR Library subscribed to various online data bases, viz. JSTOR, ECONLIST, EBSCO and Indiatat for its users.

During 2020-21, 1504 new books on various topics broadly related to the Social Sciences have been added to the existing collection. Apart from this, the Institute has received 198 journals and periodicals on exchange/ subscription basis during the period.

Library

The MIDS Library with its collection of knowledge resources and innovative information services provides important services to the students and faculty in the institute and where possible, to the general public in their intellectual pursuits. The Library has over 61,402 printed documents and subscribes to 108 Journals.

MIDS library subscribes nearly 105 academic journals in the form of printed subscription. Out of this nearly 56 journals are now available through online access and the members can access these journals in the campus on all days. Apart from this, the ICSSR has provided the access of J-Stor, Econlit, and ProWess IQ to us annually on a consortium basis. MIDS library procures electronic databases such as Census of India, NSSO, ASI etc on a regular basis. These databases are available in the form of CD-ROM / DVD. The library also subscribes the online access of Economic Outlook from CMIE and EPWRF time series database. In addition to this, the ICSSR supports us in subscribing Indiatat.com annually. The library provides documents, reports, journals etc. in electronic format from the Institute's archive, public domain and from other libraries to its users.

The library provides reference services to the readers in the library. The library arranges to provide document delivery services on request from other academic libraries to our faculty members and students. The library provides photocopying services to its members and other library users. A regular update on the arrival of new books/reports added in the library is intimated to the students and faculty periodically. The library provides the bibliography details to its faculty and students based on their specific subjects. The MIDS Library is a member of British Council Library and Anna University Central library. With this facility the library arranges inter-library loan facilities to the faculty and research scholars in the Institute.

MIDS Library is using LIBSYS software for its in-house operations. J-Stor, Econlit, CMIE- Economic Outlook, PROWESS IQ, EPWRFIT, and India stat Databases are available in the library to enrich the knowledge base of students and faculty. The library acquires databases in the form of CD-ROM/DVD for our academic use. The Collection includes Census of India, DLHS, NSSO (Mainly Consumer Expenditure, Employment and Unemployment,

Household Assets, Morbidity and Health Care etc). MIDS Library has added Collection of 158 Books. MIDS Library currently subscribes to 55 International

Periodicals and 50 Indian Periodicals. The Library has added 158 new books in the year 2020-21.

Accounts

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of Indian Council of Social Science Research, New Delhi for the Year ended 31 March 2021

We have audited the attached Balance Sheet of the Indian Council of Social Science Research (ICSSR), New Delhi as at 31 March 2021, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20 (1) of the Comptroller and Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period 2020-21. These financial statements include the accounts of Six Regional Centers of the ICSSR. These financial statements are the responsibility of the ICSSR's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observation on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and Efficiency-cum-Performance Aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with the auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our Audit, we report that:

i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;

ii. The Balance Sheet, Income & Expenditure and Receipts & Payments Account dealt with by this report have been drawn up in the format prescribed by Government of India, Ministry of Education;

iii. In our opinion, proper books of accounts and other relevant records have been maintained by the ICSSR in so far as it appears from our examination of such books.

iv. We further report that:

A. Balance Sheet

A.1 Assets

A.1.1 Loans, Advances & Deposits (Schedule 8) - Rs.73.78 lakh

(i) The above includes pre-paid expenses (House Keeping Material) of Rs. 6.44 lakh inclusive of Rs. 5.44 lakh of ICSSR Hqrs. whereas as per the records the prepaid expenses is Rs. 1.54 lakh. This has

resulted in overstatement of Loans, Advances & Deposits and understatement of Repair and Maintenance Expenses by Rs. 3.90 lakh.

(ii) Further the closing balance of stationery, postage and Housekeeping material of Rs. 19.39 lakh has been shown under Loans, Advances & Deposits whereas the same should be depicted under Current Assets-Stock. This has resulted in overstatement Loans, Advance & Deposits and understatement of Current Assets by Rs. 19.39 lakh each.

B. Grants-in-Aid

ICSSR had an unspent balance of Rs. 9.68 Crore (Capital: Rs. 2.90 Crore and Revenue: Rs.6.78 Crore) of previous year. During the year 2020-21, ICSSR received grant-in-aid of Rs. 109.90 crore from the Government of India, Ministry of Education, Department of Higher Education. The receipts against internal accruals and other receipts was Rs. 5.95 Crore. Out of total funds of Rs. 125.53 Crore, the ICSSR utilized Rs. 104.38 Crore leaving a balance of Rs. 21.15 Crore (Capital: Rs. 2.27 Crore and Revenue: Rs. 18.88 Crore) as on 31 March 2021.

C. Management Letter

Deficiencies which have not been included in the Audit Report have been brought to the notice of the Member Secretary, ICSSR, New Delhi through a management letter issued separately for remedial/corrective action.

v. Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report are in agreement with the books of accounts.

vi. In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India;

a. In so far as it relates to the Balance Sheet of the state of affairs of the Indian Council of Social Science Research, New Delhi as at 31st, March 2021; and

b. In so far as it relates to Income and Expenditure Account of the deficit for the year ended on that date.

For and on behalf of C& AG of India

4-
24.12.2021

Place: New Delhi

Date: 24.12.2021

Director General of Audit

(Home, Education and Skill Development)

Annexure

1. Adequacy of Internal Audit System

- The Council has an Internal Audit Cell. All the files are got pre-checked from the 'Internal Audit Cell' before making the final payment.
- The internal audit of the Regional Centers is conducted by ICSSR Headquarters and has been done up to 2005-06 only.

2. Adequacy of 'Internal Control System'

'Internal Control System' of the Council needs to be strengthened in following areas:

- The Management's response to external audit observations is not effective as 35 paras are outstanding.
- Bank Reconciliation statement of nine accounts revealed that the following amount has been unreconciled since long:

(Amount in Rs.)

Cheque Issued but not presented for payment in Bank	Cheque Deposited but not yet credited by the bank	Amount debited in bank but not credited in cash book	Amount credited in bank but not debited in cash book
47,49,052	76,42,679	42,95,255	2,79,71,896

It is observed that some of the balances were pending since 2007 onward. Action needs to be taken to reconcile these amounts at the earliest.

3. System of Physical Verification of Fixed Assets

- The physical verification of fixed assets of ICSSR Hqrs. and Regional Centers have been conducted up to 2020-21.
- The physical verification of Books & Publications was conducted upto June 2018.

4. System of Physical Verification of Inventory

- Physical verification of consumable and non-consumables items of ICSSR Hqrs. and Regional Centers has been conducted up to March 2020-21

5. Regularity in Payment of Statutory Dues

- No payments for over six months in respect of statutory dues was outstanding as on 31.3.2021.

INDIAN COUNCIL OF SOCIAL SCIENCE RESEARCH, NEW DELHI

SCHEDULE - 23

SIGNIFICANT ACCOUNTING POLICIES --

1	ACCOUNTING CONVENTION
1.1	The financial statements are prepared on the basis of historical cost convention, unless otherwise stated and on the accrual method of accounting.
2	INVENTORY VALUATION
2.1	Publications are valued at cost or realizable value whichever is less.
3	FIXED ASSETS
3.1	Fixed Assets are stated at cost of acquisition inclusive of inward freight, duties and taxes and incidental and direct expenses related to Acquisition. In respect of projects involving construction, related pre-operational expenses (including interest on loans for specific Project prior to its completion), form part of the value of the assets capitalized.
3.2	Gifted / Donated assets, if any, are valued at the declared value where available; if not available, the value is estimated based on the present market value adjusted with reference to the physical condition of the asset. They are set-up by credit to Capital Fund and merged with the Fixed Assets of the Institutions. Depreciation is charged at the rates applicable to the respective assets.
3.3	Books received as gifts, are valued at selling prices printed on the books. Where they are not printed, the value is taken as "NIL".

4 DEPRECIATION ON FIXED ASSETS

- 4.1 Depreciation is charged as per Straight Line Method at rates specified in the format of Financial Statement for Central Higher Educational Institutions prescribed by Ministry of Human Resources Developments now Ministry of Education.
- 4.2 Depreciation on fixed assets upto the financial year 2019-20 was charged on Written Down Value Method at the rates prescribed under Income Tax Act. The method of depreciation has been changed from the year 2020-21 as Straight Line Method and depreciation is charged at the rates prescribed under the format of Financial Statement prescribed by Min. of Education.
- 4.3 Depreciation is provided for the whole year on additions during the year.

5 ACCOUNTING FOR SALES

- 5.1 Sales are accounted for net of sales returns and rebate/discount.

6 REVENUE RECOGNITION

The following items of income and expenses are accounted for on cash basis.

(a) INCOMES

- (i) Claims against Central/State Government and their agencies/ Banks/Others, which are prima facie under dispute:-
There is no dispute
- (ii) Royalties' receivable by the Council: There is no uniform policy followed by the ICSSR. The percentage of royalty differs from publisher to publisher and publication to publication.

(b) EXPENSES

- (i) All disputed taxes/levies of Central/State Govt.:- There is no dispute
- (ii) Royalties payable by the Council: No royalty is payable by the Council.

7 SUBSCRIPTIONS/MEMBERSHIP FEE

- 7.1 Subscription/Membership fee paid in the form of books/Journals and Online Database for one year will be treated as expense in the year of payment.

8 GOVT. GRANTS/ SUBSIDIES

- 8.1 Government Grants are accounted on realization basis. However, where a sanction for release of grant pertaining to the financial year is received before 31st March and the grant is actually received in the next financial year, the grant is accounted on accrual basis and an equal amount is shown as recoverable from the Grantor.
- 8.2 To the extent utilized towards capital expenditure (on accrual basis) government grants are transferred to the Capital
- 8.3 Government grants for meeting Revenue Expenditure (on accrual basis) are treated, to the extent utilized as income of the year in which they are realized.
- 8.4 Unutilized grants (including advances paid out of such grants) are carried forward and exhibited as a liability in the Balance Sheet.
- 8.5 Government grants/Non Government grants are treated as Revenue/Capital Grants based on the usage/mandate of Grant.

9 FOREIGN CURRENCY TRANSACTIONS

9.1 Transactions denominated in foreign currency are accounted at the exchange rate prevailing at the date of the transaction

10 RETIREMENT BENEFITS

Retirement benefits i.e., pension, gratuity and leave encashment are provided on the basis of actuarial valuation. Capitalized Value of pension and gratuity received from previous employers of the Institution's employees, who have been absorbed in the Institution, is credited to the respective Provision Accounts. Pension contribution received in respect of employees on deputation is also credited to the Provision for Pension Account. The Actual payments of Pension, Gratuity and Leave encashment are debited in the Accounts to the respective provisions. Other retirement benefits viz. Deposit Linked Insurance, Contribution to New Pension Scheme, Medical reimbursement to retired employees and Travel to Home Town on retirement are accounted on accrual basis (actual payments plus outstanding bills at the end of the year).

11 EARMARKED/ ENDOWMENT FUNDS

- 11.1 The long terms funds are earmarked for specific purposes. Each of the funds has a separate bank account. Those with large balances also have investments in Government Securities, Debentures and Bonds and Term Deposits with Banks. The assets created out of Earmarked Funds where the ownership Vests in the Institution, are merged with the assets of the Institution by crediting an equal amount to the Capital Fund. The balance in the respective funds is carried forward and is represented on the assets side by the balance at Bank, Investments and accrued interest.
- 11.2 Endowments are funds received from various individual donors, Trusts and other organizations, for establishing Chairs and for Medals & Prizes, as specified by the Donors. While each of the Endowment funds has its own investment there is one savings Bank Account for all the Endowment funds, as the un-invested balances against them are negligible
- 11.3 The income from investments of each Endowment Fund is added to the Fund. The interest on Savings Bank a/c is allocated to all the Endowment funds in the ratio of the year end closing balances in each fund. The expenditure on Medals & Prizes is met from the interest earned on investment of the respective Endowment Funds and the balances is carried forward. In respect of Chairs, however, the corpus of the Endowment is also used.

11.4 The balances are represented by Investment in RBI Bonds and Fixed Deposits and balance in the Saving Bank Account common for all Endowments, and Accrued Interest on Investments.

12 STATUS OF REGIONAL CENTRES

Accounts of all Regional Centres are incorporated with Council's accounts.

13 INCOME TAX

The income of the Institution is exempt from Income Tax under Section 10(23C) of the Income Tax Act. No provision for tax is therefore made in the accounts
