

Q&A on EOIs for Doing Research Assessments in Cambodia, Laos and India

1. Does the organisation applying for the DRA grant need to have FCRA?
No. The organisation does not need FCRA to apply for the DRA grant.
2. What is the role of the Indian Council for Social Science Research (ICSSR), which is mentioned as a partner in India?
GDN and ICSSR will be providing the backstopping support during the DRA implementation.
3. Are only ICSSR affiliated institutions eligible to apply for this grant or can other institutions apply?
NO. Any competent institution can apply, without being a member of the ICSSR.
4. Does the team need to write to ICSSR about collaboration?
No need to write to ICSSR about collaboration. Any selected team from India will be connected to ICSSR through GDN.
5. Can the team include researchers from countries other than the host country?
Yes. The team may include researchers from countries other than the host country or the three countries mentioned in the call. The Principal Investigator must be affiliated to the host institution in the applicant country.
6. Can only one DRA be carried out in all three countries?
Each DRA will be conducted in each country. There will therefore be three DRAs.
