## Cryptocurrency: Ambiguities and the Impending Crisis

- 10 In the absence of proper regulation, there is a very real danger that the public may be mis-sold cryptocurrency with harm to the wider economy.  
—Alok Prasanna Kumar

## The Land Pooling Scheme in Andhra Pradesh: A Critical Appraisal

- 12 An exploration of the intervention made by the Land Pooling Scheme as an alternative to the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 and various discourses associated with its implementation in Andhra Pradesh — Siddardha Darla

## Faith-based Financial Exclusion

- 15 India's apathy towards the financial inclusion of its Muslim population and consequent lower business potential of districts with a higher proportion of Muslims has led to lower branch density and loan rates, affecting the general population as well. Jammu and Kashmir, in districts where the proportion of Muslims is higher, also reflects these trends observed in other states.  
—D Narayana
